

2023 ANNUAL REPORT

ALA American Library Association

THE HOLOCAUST MUSEUM

PRESENTED BY PETOSKEY DISTRICT LIBRARY

AMERICANS AND THE HOLOCAUST

January 5 – February 14, 2023
Petoskey District Library

Award winners - director Val Meyerson was honored with the Chamber's Athena Award, and teen librarian Nisa Kessler was honored as the state's Teen Librarian of the Year with the Fran Pletz Award.

The Americans and the Holocaust exhibit proved to be a resounding success and marked a powerful start to 2023. The exhibit, granted to the library from the Holocaust Memorial Center in Washington D.C. and the American Library Association, garnered widespread kudos for its compelling content which explored the complex relationship between Americans and the Holocaust. Visitors continued to praise the exhibit throughout its six-week stay. (see page 3 for statistics)

2023 HIGHLIGHTS

Nurture Knowledge

- The "Paws to Read" program added a new therapy dog, Ladybug, to listen to our young readers read aloud.
- Petoskey Chess club expanded and now offers US Chess Federation rated tournaments for all ages.
- Steam Tweens program brought fun science programming to kids.
- Storytime continues to be a popular program with our littlest residents.
- Code Club brings young people together to learn the very beginnings of coding.

Drive Discovery

- Many patrons enjoyed stretching their imaginations with a series of creativity classes to spark them on.
- We hosted a class on composting food waste, providing an opportunity for residents to learn how to best manage food waste.

Connect Community

- Celebrating New Year's Eve with families is always a highlight. This year's weather brought in lots of people to enjoy games, crafts and s'mores in addition to all the fun at CTAC.
- Providing passports for our residents to go explore our neighboring libraries was a fun way to connect to other communities.
- We now provide free period products thanks to grants from: Zonta Club, Friends of Petoskey Public Library, and Xi Epsilon Gamma of Charlevoix.

Stewardship of our Building

- This was a big year for taking care of our building. Our construction project repaired the brick and stone which had major signs of water damage, cleaned the building, sealed all the stone and windows. Now it is ready for many more years.
- The Carnegie Building also had some TLC. We repaired the large window keystones.
