Go placidly amid the noise and haste, and remember what peace there may be in silence.

As far as possible without surrender, be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit.

If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is as perennial as the grass.

You are a child of the universe, no less than the trees and the stars; you have a right to be here.

Therefore, be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

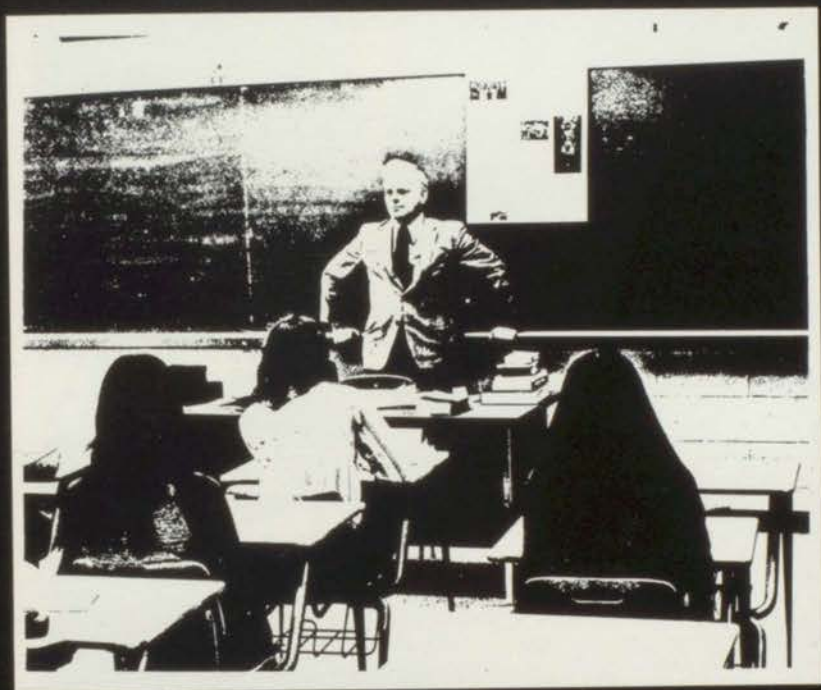

Max Ehrmann

For your 30 years of devotion to Petoskey High School Band students, we dedicate this book to you, Mr. Smith.

Mr. Smith is a great person and teacher, but to me I think he'll always be a person first, then a teacher. He cares about his students and their problems. One of his favorite lines is "There is no such thing as a dumb question; you're only dumb if you don't ask it." He lives up to this, too. If a student has a question Mr. Smith will knock himself out in an explanation. Mr. Smith teaches more than just music in his classes though. He has taught me the art of listening, self discipline, and the power of persistence. These are not just things you take out and put on when you go into band either. They apply to every part of your life. Mr. Smith has taught me these by his own example. I thank him from the bottom of my heart. Yes, Mr. Smith is a great person.

Bob Cardy.

A student is irritating... slamming the classroom door to announce his arrival after just I've completed attendance.

A student is troublesome... borrowing paper, pencil, kleenex, pins, and nickels to see him through his day.

A student is persistent... seeking my attention when I've just retreated to the coffee lounge.

A student is annoying... interrupting my ego-feeding monologue with an irrelevancy.

A student is irksome... cracking his gum or knuckles just as my lesson is gaining momentum.

A student is a fragile being, vulnerable and impressionable, who terrifies me with the responsibility I assume in helping him take my place tomorrow.

MARK FOLTZ: "An all conference linebacker and a tough fullback to bring down. Mark was a very steady, consistent, and dependable football player." (Coach Aspenleiter)

CHARLIE MATESKON: "An all conference defensive end and offensive tackle. His outstanding defensive end play was a solid contribution to our fine season." (Coach Aspenleiter)

STEVE MAYES: "An all conference running back, Steve gave the coaches and fans alike many thrills with his running ability. His two runs against Cadillac have to stand out as the best in the North." (Coach Aspenleiter)

DAVE STEIN: "An all conference safety, Dave was outstanding as a defensive back and as a pass receiver. The 89 yard pass reception from Mike Davies is the longest TD pass on the Petoskey record books. His aggressive and fearless kickoff returns were the best in the North." (Coach Aspenleiter)

Loud enough to drive love away.

Homecoming "72". Petoskey vs. Boyne City. During half time ceremonies, musical arrangements were performed by the P.H.S. marching band. Dan Drake, acting as master of ceremonies, announced Homecoming Queen, Pam Elder. Her court included Linda Hall, Carol Mosier, Marty Behan, and Cathy Frugé. Pam received her crown from quarterback Mike Davies as the highlight of the ceremony. We won. It was our time for sure. A time for all of us.

We've got the spirit. The spirit of '72'. The band, the fans, the cheerleaders and the team all made their contribution to make this year one of the best ever. From the bonfire the night before, until the victory at the game the spirit remained; making the homecoming one of the best. Yeah, we've got the spirit.
