All things are relative —  
especially time. After what  
seems an eternity, we reach our freshman  
year in high school.  
Being freshmen leaves us  
open to endless pranks and capers.  
It has to be  
the longest year in  
anyone's life.

Attaining the  
"rank" of sophomore  
helps ease the pressure . . .  
and reduce  
the hassles  
from upperclassmen.  
Still the year  
seems to drag.

Finally the junior year arrives and a glimmer of hope lightens the dark tunnel. A single thought echoes through our heads: "Maybe I'll actually live to be a senior!"

In retrospect it seems like only minutes from the time of the silly, acne-prone freshman to the budding, young adult. We're seniors? It seemed like yesterday that we were just children.

In the blink  
of an eye, time  
flashes by.

And yesterday's dreams . . .

. . . become today's  
realities.

# Raters Invade Library

The library was generally a hushed and somber place where students pored over information that helped them in their classes. That WAS the setting until Jeff Smith, Tom Kowalczyk and Paul Douma invaded the quietness.

As soon as they were granted open campus, Jeff, Tom and Paul started to sit in the library and "rate" people as they walked by, using, in addition to number scores, such descriptions as "Lizard Lips", "Moose Jaws", and "Cellulite City".

When asked about the criteria that their ratings were based on, they explained that the "Kowalczyk" System" was used for the most part. They took the approximate weight of the "ratee", divided it by the age, and then multiplied that number by the number of days in the month. Then, that number was discarded and another number, or a fitting phrase, was invented. As for the purpose behind all this? Who knows?

During third hour, the Raters scramble to locate or invent a rating of individuals passing through the library.

Jeff Smith models the latest style—the Raters' typical garb.

Dan Kowalczyk shows a unique score for all around him to see.

Jeff Smith, Dan Kowalczyk and Paul Douma, alias "The Raters", display various scores based on a passerby.

# Crusade Against Communicable Diseases

Grimaces, scowls and sweaty palms. All of these were symbolic of one thing this year: The Immunization Clinic held by the District Health Department.

Due to a state law requiring school-age children to be immunized against certain communicable diseases, this free clinic was held on November 5, 1979. It provided area health services at no cost to them or their parents.

The law was not fully enforced for

several years, but because of a sudden polio outbreak downstate this past summer officials have begun to crack down and force compliance with this law.

Many people cringed, shook and all but died at the thought of having to be inoculated, but perhaps the enforcement of the law was a good thing. Hopefully, it prevented diseases from flourishing, crippling or killing.

*Al Southwood watches curiously as a nurse from the District Health Department sticks him with a needle at the free clinic.*

*After being inoculated, Al Southwood gives a half-hearted smile.*

*Keith Kiogima takes his turn at the inoculation clinic held in the high school cafeteria on November 5.*

# Halloween Brings Out The Zaniness in Everyone

As kids they dressed as devils, witches, ghosts or clowns for Halloween, with little variation from year to year. But time has carried on, and their imaginations have learned to take off wildly. Halloween 1979 brought a lot of imaginative people out of the closet.

Mrs. VanWagoner's General Art classes made their own masks, and paraded through the halls to show them off. At the Halloween dance, gangsters, Martians, an elephant, and the Wizard appeared, along with many other rowdy students.

Halloween was a time when people could be themselves, uninhibited by anyone. Imaginations bloomed, and the zaniness in everyone's spirit was revealed.

Making Halloween masks with individual features was one major project Mrs. VanWagoner's fourth hour general art class participated in this fall.

Ogling anyone who walks by is junior, Donna Marshall at the Halloween dance. Where did she get those Foster Grants?

Kristy Marquardt and Beth Shorter make themselves noticeable by masquerading to the Halloween dance.

Mobsters, Anne Linck and Wendy Brown, laugh as they shoot Miss Lark to the floor. The shooting was a highlight of the dance.

# One Strike and They're Out - Of School!

*The start of the school year was briefly delayed due to the teachers' strike.*

Summer vacation . . . what student in his right mind doesn't want more? September brought just that. The teachers' strike of 1979, lasting from Thursday, August 30 through Thursday, September 6, provided Petoskey area students with several extra days of beaches, friends, and fun. The entire school system was paralyzed and all extra-curricular activities were canceled, including football and marching band practices.

Regardless of the strike, school opened on Tuesday, September 4, as scheduled. However, the impossibility of operating a school without teachers became quite evident, and the doors were closed early, locking out everyone except the administration and the janitors for several days.

During the next few days, while the students took advantage of the free time to relax and have fun at the beach with friends, the teachers and the school board bartered from early in the morning until the wee hours of the night. Finally, in the late evening of September 6, the teachers and the school board reached a tentative mutual agreement. The first teachers' strike in the history of Petoskey had ended.

Most teachers chose to strike. However, some did not. It was a time when emotions ran high in the community and the tension gripped everyone involved. School doors were chained shut and lights were left on throughout the night to discourage any kind of potential vandalism.

Although students gained a few extra vacation days, and enjoyed them to the fullest, most were eager to return to school and put the year behind them. In spite of school starting late, once off and running, the year raced by in its usual fashion.

*Extra-curricular activities were cancelled, and school lights burned through the night.*

*Teachers and school board members finally reached a tentative mutual agreement.*

# Time Keepers

A certain group of individuals who monitor the time spent in this time warp are the faculty and administration of PHS. the Time Keepers are labeled teachers, administrators, secretaries, custodians, and cooks but they are much more. They sponsor dances, dinners, athletic events, clubs, organizations, plays and numerous other special activities; they are "real people." This section is a salute to their services.

Long before school doors open for the year, many people were hard at work readying the building for its occupants. Janitors and cooks scrubbed and prepped, awaiting the first day of school, when hordes of students would be prowling the halls.

Although the start of school was delayed this year, once begun, it was off and running, both figuratively and literally. This year more than ever, PHS faculty members were seen huffing and puffing through the halls to enhance their physical being. Along with running, many participated in other physical activities as well as pursuing academic realms.

A fewer number of new staff faces appeared this year as the total enrollment declined. But these few new faces again brought with them fresh ideas. This year's combination of "veterans" and "rookies" once again made PHS "the best high school in Northern Michigan."

**CAFETERIA STAFF**—Front Row: Diane Bedrick, Bonnie Urman. Back Row: Marion Starr, Patricia Janisse, Amanda Joyce.

**CUSTODIAL STAFF**—Left to Right: Tim Roach, Wayne Reber-Head Custodian School District, Jim Fettig-Head Custodian High School. Absent: Lyle Blanshan, Myrtle Carroll, William Hiatt, William McGarey, John Steffens, Ben Whitney.

# Time Travelers

Forging on into the unknown, the Time Travelers are searching for an inner peace. They're in the process of preparing themselves for the outside of PHS. They're embarking on a journey that will guide them through many trials and tribulations. From these experiences, the Time Travelers will learn and grow spiritually. At this point in time, they are cultivating the soil that surrounds them so their roots can grasp the earth and their minds can expand, reaching for unthinkable goals.

# Freshman Are Off and Running

Ah, that freshman year. For most students it was one of the longest and most difficult. In September, the halls of PHS were filled with bodies. Freshmen gave confused looks and glances at one another as they experienced intimidating upperclassmen, a million new teachers' faces and their ever-evasive lockers that possessed impossible combinations. That first day seemed an eternity and the thought of four full years of this madness was totally overwhelming.

But, given the year, this freshman class showed tremendous spirit and became involved in high school life. Their ideas paved the way for expression and participation in school activities. They were a "tough" class with inner strength and a touch of rowdiness that mellowed with time.

Freshman class officers include: (L to R) Monica Malec, V. President, Mary Ann Przybylski, Treasurer, Mark O'Gawa, President, Lori Washburne, Secretary.

# Sophomores: Trapped In Time's Tunnel

Sophomore class officers ham it up. (L to R) Kyle Scott — Treasurer, Rick Reinke — Pres. Scott Shepard — Vice-pres., Daphne Waldo — Sec.

Traveling along, the sophomores find themselves stuck in the middle between the freshman class, who they now consider to be terribly immature (forgetting they ever went through that stage), and the upperclassmen, whose example they want to follow. They are looking toward the end of the tunnel and see a little light. Another thing they discovered was that high school was fun.

Money making projects for the sophomore class included sponsoring a dance which was a great success, and magazine sales which also were profitable.

The sophomores only incurred one small problem during the year. At Homecoming, their float fell apart. They blamed it on the rainy wet, inclement weather of that night, but rumor has it different.

This class showed increasing spirit and enthusiasm that prospered as the year advanced.

Before a strenuous cross-country run, junior, Greg O'Gawa, bites into an energy-packed apple.

While trying to study in the library, something (or someone?) more interesting catches Phil Simard's eye.

Only one more year to go until that all-important senior year. With the arrival of the junior year also came a climb in rank and each junior proudly considered himself NOW truly an "upperclassman". This newly acquired status swelled some heads, but most busily got down to work in either academic or vocational classes and became involved in a variety of school functions and activities.

This junior class certainly was not idle. They involved themselves in several fund raising projects, the most successful being a class dance and a Reeses candy sale (which the custodial staff would certainly vouch for).

The year sped by and suddenly June had arrived. Then echoes of "Where did the year go?" were heard in the halls of good old PHS.

# Time Fighters

Focusing in on the competitive activities of PHS reveals a dedicated group of individuals who line the corridors of this educational institution. Time Fighters not only battle the bells of academia, but also fight the limitations imposed by scoreboards and stopwatches.

Though their conquests may seem trivial. They are the basis of an inner spirit which lingers in the halls of PHS.

The following pages are a tribute to the Time Fighters.

# Athletic Banquet

## 1980

The 1980 Athletic Banquet was held on May 27th this year and featured Mr. Frank "Muddy" Waters from Michigan State as the guest speaker.

Mr. Neidhamer announced Clark Hewitt as the Master of Ceremonies for this year and Clark immediately set the mood for a relaxed evening of entertainment by smiling coyly and saying "Gee, I really feel important up here". Clark then introduced representative members from each sport who gave a brief overview of the season and the highlights of that particular sport. Students, parents and coaches alike relived the moments of success and the joy of the sport. Although not every sport could boast a winning record, each student speaker gave the audience something to smile about. Girls' sports was especially recognized this year as coming into its own. Mr. Neidhamer presented the Scholar-Athlete award to four individuals whose outstanding efforts were complimented. They were Clark Hewitt, Katy O'Keefe, Sarah Russell, and Becky Gengle. These names will be added to the school trophy for 1980.

Mr. "Muddy" Waters closed the program with an emphasis on the qualities necessary to produce a winner. He stated that winners were not always first on the scoreboard but instead were determined by honesty, integrity, effort and self-discipline. One who possessed these qualities was a winner. It was obvious that PHS certainly had its share of winners this year.

ABOVE: Mr. "Muddy" Waters closed the evening with his ideas of qualities necessary to produce a winner.

BELOW: Cheerleaders Becky Gibes and Lisa Nelson serve the "head table" while Clark Hewitt looks over his notes for his speech.

PHS cheerleaders could be described in one word this year - vivacious. They remained cheerful and boosted moral when their teams lost as well as when they won.

This year, the cheerleaders were divided into two major divisions, one for football and one for basketball. These major divisions were further broken down into Varsity, Junior Varsity, and Freshman squads. The purpose of two separate cheering divisions was to encourage more girls to get interested in cheerleading and also to give the girls more opportunity to participate in other seasonal activities. Previously, cheerleaders practiced nightly and were tied into this sport from September to mid March, which made for a rather long season.

Special recognition went to Heather Kline, Kristi Marquardt, and Tina Donnelly. Heather received an award for best all around cheerleader out of four hundred girls at summer camp. Kristi and Tina have participated in cheerleading four and three years, respectively. One squad earned the "Firecracker Stick" award at camp, which was the award presented to the most spirited squad.

Each squad consisted of girls truly dedicated to promoting spirit at PHS. Practice was strenuous so that each stunt and cheer was "just right." However, the time spent was definitely worth while as spirit never seemed higher.

## *Mr. Neidhamer— a Familiar Face at All Sports*

How many hats can a single person wear? Mr. Neidhamer, PHS's Athletic Director seemed to be setting a new Guinness World Record this past year.

Mr. Neidhamer made all the arrangements for the sixteen different competitive sports at P.H.S. and also was responsible for middle school activities. At the high school alone, there were 325 scheduled events and he attended almost every home activity. He made all ar-

rangements for transportation for activities that were away and attended at least twenty-five percent of these events. In addition, he scheduled all times, buildings, and officials for both conference and tournament play. Needless to say, this was quite a demanding, challenging, and time consuming job.

Mr. Neidhamer had twenty-eight coaches under his authority, and managed the money for all

necessary equipment and uniforms.

Mr. Neidhamer said that the faculty was very cooperative and helped to make his job more enjoyable. He stated that his goal at P.H.S. was to provide valuable athletic competition that will benefit students while in school as well as after graduation. This year especially, he was active in improving girls' athletics and stressed the importance of a good, well-rounded high school program. Hats off to you, Mr. Neidhamer!

This year's Junior Varsity Volleyball team combined teamwork and individual performances to post an 8-2 record, with one of the losses being a disappointing forfeit to Charlevoix.

Although the team only consisted of seven players, compared to fifteen last year, the girls always had the desire to win. This desire coupled with many hours of practice after school, and with a sincere dedication to the sport, contributed to the team's successful season.

At one time or another, every player on the team had the opportunity to take the responsibility of being captain. At the end of the season, Julie Haase was permanently appointed because of her superior leadership and knowledge of the game. Each member contributed to the total team effectiveness which was shown by their outstanding final record.

Ms. Fairbairn stated that she enjoyed coaching the team very much, and she is looking forward to a promising season next year.

## *Girls' Varsity Volleyball Attributes Success to Espirit de Corps*

This season, the Girls' Varsity Volleyball team combined unity and constant encouragement to create a formidable, positive attitude. When mistakes were made, the team shook them off, maintained their high spirits, and concentrated on the next play.

One of the season's highlights was an invitational tournament at Saint Ignace, where ten conference teams competed. The Northmen took second place after a disappointing defeat to the Saints. The team completed the year with a 15-15 record.

As team captains, seniors Lisa Pater and Lori Barnhart provided excellent leadership throughout the season. Lisa Pater and Diane Zmikly were named to the MHSC team, while another senior, Kristie Schalk

received honorable mention.

The girls credited Coach Richwine, and Assistant Coaches Sheryl Duxtader, and Shelly Mosier for their guidance and support to the team, which were key factors throughout the season. The essence of the team was shown through unity, encouragement, and support—the true meaning of Espirit de Corps.

## Two Boys Qualify for State

This year's Petoskey High School Boy's Track team finished fourth in their conference meet and several individual talents highlighted the season.

The Northmen had three conference champions this year in Mark Hilal, Scott Hayes and Steve King. These men were the top three members in total points for the season with Mark Hilal being the highest. Mark ran the low hurdles and also set a new record of 41.75 seconds for that events. At Regionals, Scott Hayes who ran the

880 yd. run and Steve King who participated in the pole vault event both received thirds which qualified them for State finals competition held in Sturgis.

The team worked hard this year but did not have the experience to dominate the conference. However the team did make an excellent showing in their dual meets.

Coach Aspenleiter stated, "This was a good, young team that showed steady improvement as the year went on. All in all it was a good year with good performances."

## "Agony" and Effort Clinch Conference Title and Fifth in State

Despite the unforgettable cold days of rain, snow, and even hail, the girls' track team struggled through many hours of hard work and numerous climbs of the treacherous hill appropriately named "Agony". Dedication and total effort was evident when many school records were broken. The season culminated with the girls taking the Conference Title, a first for Girls' Track.

Special recognition was given to Kelly Hansen for her 110% effort

given at all practices. Kelly stimulated inspiration by her example and an enthusiasm to win spread through the team. Lisa Stevens, another 110%er, was the most valuable team member this year, anchoring the 880 relay team and the 440 relay team which qualified for State finals by placing second in Regionals. Other members of the 440 relay team included Lisa Amtsbuechler, Tammy Yell, and Cindy Speers. This 440 relay team went on to place fifth in the State meet, another first in PHS history.

Coach Batchelor, and assistant Coach Mrs. May both felt that the girls were by far the hardest working team that they have ever coached. The girls always had a competitive spirit and displayed more unity and support for each other than any other team in the past.

# Rookies complete a successful season

The 1980 Northmen Baseball season started out, as always, with winning as a goal. Their conference record proved their achievements to be successful.

This year was different from past years in that most of the team consisted of rookies. But by the end of the season, determination built them into virtuosoes of baseball. The team started out slowly, winning only the first and losing the second of each double header. But gradually, as the team gained experience, they went on to defeat many opposing teams.

Two of the Northmen players who were exceptional pitchers were Dave Burek and Dale Willis. Steve Hewitt was another strong contributor to the team, with a no-hitter in their bout with Grayling. Coach Kirchner said, "This year's team never gave up. They had talent, leadership, desire and spirit."

## Girls Win State; Boys Win Conference

The Boys' Ski Team represented Petoskey High School very well this year in its conference meet, as they did throughout the season. At conference, Petoskey placed first.

In the Slalom event, Rick Kuticipal placed first, Scott Thompson placed second, and Jeff Yoder, fifth. Rick Kuticipal and Scott Thompson were recognized as being all conference skiers this year.

After conference, the team went to Regionals which were held at Schuss Mountain this year. The team overall took a second place.

The Michigan State Championship was held at Nub's Nob this year and Petoskey was well represented by the team members and by numerous spectators who were excused from school for the day to attend the State meet.

Injuries plagued several team members and Petoskey Boys' team ended its season in fourth place. Cadillac was first, Okemas, second, Traverse City, third.

The Petoskey Girls' Ski Team had an exceptional year as they were undefeated this season. From regular meets to the conference meet, to Regionals, to State, the girls gave their best and placed first in each competition. Captains for this year were Lynn Brown, Katy O'Keefe and Barbie Lester, all seniors.

Lynn Brown, Katie Brown and Barbie Lester, were named all-conference skiers and in addition, Lynn and Katie were also named all State.

Special recognition was also given to Kate Linck, Theresa Linck and Mary Turcott for their fine performances in the Regional and State meets.

Mr. Gunderson, ski coach for both the boys' and girls' ski teams, complimented the teams for their effort and efficient teamwork. He said, "Both teams had a special unity this season that I have never seen before, on and off the slopes. It was a pleasure to work for such an eager and cooperative group of individuals this season."

# Northmen Have Good Season Despite Lack of Height

Despite the lack of the height and only three players returning from last year's team, the Northmen finished third in the MHSC with a 12-9 record.

Clark Hewitt, co-captain, led the Northmen and the MHSC with a 21.5 scoring average. Clark was named all-conference and received honorable mention on the all-state team. He was also recorded as the seventh highest scorer in Northmen history.

Scott Hayes, co-captain, had a 13.5 scoring average and was comeback player of the year because he came back from numerous injuries to play good basketball.

The Northmen set a record for total points in a game with a triple overtime win against St. Ignace posting a 97-94 victory.

Outstanding efforts were made by every person on the team. Each player did his best and demonstrated what the word team-

work really meant. This unity gave the Northmen an advantage that helped to balance the handicaps of little experience and lack of height.

Coach Paul VanWagoner stated that coaching the team was most rewarding and he complimented the "true team effort" shown.

## Boys' J.V. Shows Effort

Petoskey's JV basketball team didn't fare too well this season but they did show drive and determination.

The team was led by Captain Jim Alton. Jim had a 13.00 average and led the team in rebounds and assists. Al Southwood was the second leading scorer with a 7.5 average and led the team in steals.

The team was well balanced and everyone contributed to the team effort. Despite losing many games, the team spirit remained high all year. They learned to accept defeat as well as victory.

One of the highlights of the season was the Northmen beating Boyne City after suffering a humiliating defeat earlier in the season. "Everyone's spirits were up for the game and we wanted revenge," a player was quoted as saying.

With the determination displayed by this year's team, next year's team will be the one to beat.

## Hustled to a Victory

Coached by Mr. Charlie Wilson, this year's freshman basketball team showed an enormous amount of potential. They ended their season with an excellent record, 12 wins-4 losses. Their success was achieved by hustle, determination and good effort from start to finish.

Each year, Coach Wilson gives two awards. These awards are "Mr. Hustle" and "Top Rebounder." This year Mark O'Gawa received both awards.

There was no one captain for the team but, instead, this position was changed regularly so that each member was captain at some time during the season. Coach Wilson commented that all players contributed in their own way which made them all "valuable" players.

# Girls Make It To Regionals

The varsity girls opened the season strong this year and within just a few games, established themselves as the tough team they were at the end of the season.

The girls held a six game winning streak which gave them a position just one game under St. Ignace. However, the conference title game was taken by a fast-breaking team, the Saints, who took the title out of the Northmen's reach by a score of 70-36.

The second half of the season was plagued by numerous problems which put the team at a disadvantage and placed them third, with a 9-5 MHSC standing.

But in the district opener, the girls defeated Cheboygan by a 54-48 victory, and rolled past Gaylord with a 60-40 district final win, the first since 1975. Going into Regional play, the girls made Northmen history by taking the first game

from Kingsford, 52-40. The Regional finals though, was this year's limit to success as the girls dropped the title to Menominee by a score of 62-31.

The team was headed by five seniors this year, including All-Conference and All-State honorable mentioned Co-Captains, Sarah Russell and Becky Gengle. Other greatly contributing seniors were All-Conference, honorable mentioned Wendy Brown and also Maureen Sweet and Patti Kelbel. A junior, Eileen O'Brien, All-Conference, honorable mentioned, also had a very successful season.

The past season will be long remembered by the girls. So will the hard work and dedication given by Coach Bill McClutchy and Asst. Coach P.J. Heck-Smith. Their encouragement and support plus the girls' talents and determination made a winning combination this season.

# J.V.'s Show Great Teamwork

This season, a new coach, Mr. Ron Raiche, took over the girls' J.V. basketball team along with assistant coach Doreen Rosinski. These two people put together a good season of first year coaching, and ended with a straight five hundred record.

The team had no specific captains, but instead rotated this position weekly to give each player an opportunity to experience the responsibility of leadership.

Several outstanding records were broken during the '79-80 season, one being Lisa Amstbuechler with 18 rebounds, the most during any game, and Kelly Hansen who made 6 assists, being another record.

Coach Raiche credited the girls for their great effort. "Though the record was tied, they always played as if they were a winning team." He also stated, "It was a progressively growing year, and we hope to have a better one next year."

# Inexperienced Golfers Couldn't Quite Swing It

Every day after school the Northmen golfers, led by Coach Milner, practiced intensely to overcome their inexperience. Junior Dave Poquette led the team with a 41.5 stroke average, followed by senior George Goalen, the only returning letterman with a 43.8 average. The team ended the season with a 4 win

— 4 loss record. They tied for second in the conference and placed eighth in the regionals.

Coach Milner commented, "We have high hopes for next year." Dave Poquette, Jim Wareck, Dan Turcott and John Johnson will be returning lettermen and will help the team with their experience.

# Girls' Tennis Fights Hard This Year

The Petoskey Girls' Tennis Team is a unique team because it is not in a league. Petoskey is the only class "B" school that must compete against class "A" schools in Northern Michigan.

Mrs. Langs stated that all the girls did fairly well considering the tough competition. She also said that all the girls worked very hard and showed considerable improvement.

The girls practiced every day after school from 4:00 p.m. to 5:30 p.m. and also practiced on Saturdays at the Little Traverse Racquet Club.

The girls' season record was not very impressive as they placed third in every meet, but the girls put effort into it and made a good showing.

The Petoskey Boys' Tennis Team, coached by Mr. Bill McClutchey and assisted by Mr. Gene Champion, had a very successful season this year, which resulted in the Conference Title for the team. The team held an overall dual record of 9-1, and placed third in Regional competition.

Again, Lance Bawkey held the number one single's position. Other contributing members were Scott Langs, Paul Douma, Tom Kowalczyk and Dave Jensen, with Jeff Yoder and Andy Stewart doing a good job despite their lack of experience in formal high school competition.

"Overall, the team had a fine season," Mr. McClutchey stated.

# Conference Winners for Second Year

Under the direction of first-year coach Ray Arthur, the Petoskey Matmen had a very successful 1980 season. Practicing long, hard hours every day after school and on weekends paid off for the team. They went undefeated in dual meets, placed sixth in a tough Oscoda Tournament, fourth in the Alma Tournament, third in the St. Ignace Tournament and placed an outstanding second in the Petoskey Invitational. But the most rewarding moment of all for the team was winning the conference title for the second year in a row.

"This year's team was very well balanced," stated Coach Arthur, "which helped us to remain undefeated outside tournament competition and to win conference. Although we had only one champion, we received eleven places total at the conference meet."

This year, the team's most valuable wrestler was junior Mike Pemberton. Pemberton took first in both conference and districts, and second in the Regional meet under the 112-pound division. This qualified him for state, where he received a sixth place. Mike's younger brother, Jimmy Pemberton, a freshmen, tied the PHS record pin with the time of thirteen seconds. The most improved wrestler this year was sophomore Paul Baerwolf, a heavyweight, who thrilled the home crowd with an exciting pin in the Petoskey Invationals.

Leading the team as captains were seniors Kevin Collins and Brad Fineout.

There was an added dimension to the wrestling scene this year—stat girls. At the matches they were seen keeping score and filling out forms for the Athletic Association on all levels of matches. More important though, the girls were a booster organization, making posters before meets and supporting the wrestlers. This was the first year for the stat girls, but from the results of the season, they'll be a regular part in the future of PHS wrestling.

# Budek is Tenth In Regionals

With only three boys and one girl returning from last year's team, the Northmen did fairly well.

"It was a rebuilding year," Coach Dickmann said, "We had many seniors who came out for the first time this year. It is difficult for them to compete in a sport where conditioning and experience are built up after several years of hard work and racing."

"We also tried to have a girls' team this year but could only get two girls to stay out for the full season. We hope to have a girls' team next year."

"We also hope that more boys go out next year so that we can improve and build a strong tradition in a sport that has not grown too rapidly in this school, compared to other areas."

The Northmen had several outstanding runners this year. Karen Budek earned a spot on the class B All-State Cross Country team based on her finish in the state finals. Karen also became the first girl to win All-State honors in cross country. Scott Hayes had an outstanding season and finished fifth in the conference. He was injured the last part of the season.

Other runners that showed potential were Dawn Say, Kevin Foster, and Gary Russell. Rick Reinke also came on strong at the end of the season.

This year's young team will provide the experience necessary to make next season one to look forward to.

## *Injuries to Key Players Hurt*

Although the Petoskey Northmen did not have a winning season this year, (2 wins — 7 losses), they scored very close in several games and played well considering the circumstances. One of the major difficulties this year was injuries to key players. Quarterback Clark Hewitt, who had proved himself an outstanding athlete, broke an arm. Starting guards Mark Eaton and Bill Keiser also were lost by the team to injuries. No records were broken. Petoskey finished sixth in the league standings. The league was topped by Cheboygan in first and Gaylord in second.

Clark Hewitt was this year's captain of the team but after his injury, Pat Robbins and Brad Fineout filled this title. This year's most valuable players were Dave Schuch, a junior, and Brad Fineout, a senior, with Clark Hewitt receiving honorable mention. Walter Boyd was the team's manager this year.

Barry Aspenleiter, head coach was assisted by Mark Smolinski and Dwayne Swenor. Mr. Aspenleiter commented that the team was composed of young men who were enjoyable to coach.

## Spirit Up Despite Losing Season

The J.V. football team suffered its first losing season since Coach Roy Harvey can recall. However, Coach Harvey stated that there were several outstanding individuals that will definitely contribute to next year's varsity team.

This year's most valuable players were Jim Alton, Al Southwood, Mark Gregory, and Ben Juday. There were no captains chosen for the year by the J.V. team. Instead, different captains were selected for each game.

Petoskey J.V.'s finished their season with a 2 win — 6 loss record and placed fourth in the league standings.

The J.V.'s may have had a losing season this year but the spirit and attitude of the players couldn't be beat. Coach Harvey stated, "There were no quitters on this team. Although the team size was down, the enthusiasm was definitely up."

Bill Schroderus does a two-step to avoid being tackled, but doesn't quite make it.

TEAM MEMBERS INCLUDE: FRONT ROW: Dan Chilcott, Tom Nelson, Iwao Greene, Brian Sutton, Al Southwood, Ned Deer, Jim Jones, Todd Muche. SECOND ROW: Scott Hoch, Eric Simard, Darryll Hamlin, Bill Schroderus, Doug McKenzie, Dean Schuch, Larry Pennell.

# Coming Up Strong

This year's freshman team started out slow but burned as the season went on. They didn't realize how much potential they had until the very end of the year. Although their record was not the best ever scored by a Petoskey team, these freshmen played very well and never learned the word "Quit."

The team's record for the season was 3 wins — 4

losses. They scored 132 points and allowed 102 points to be scored on them.

The last two games of the season were highlight games. The team scored 60 points and allowed 0 points against two big rivals, Gaylord and Rogers City. Next year's J.V. team should be one to keep an eye on.

TEAM MEMBERS INCLUDE: BACK ROW: Coach Roy Harvey, John Johnson, Linn Wright, Les Leslie, Dale Hoch, Terry Galmore, Dave Garringer, Dave Parker, Chuck Regmund, Gary Robinson, Troy Goodrich, Jim Gullege, Marty VanDecar, Dave Schroderus, Coach Hice and Coach Pehlps. The freshmen were assisted by some sophomores this year: FRONT ROW: Dan Chilcott, Iwao Greene, Tom

Nelson, Scott Hoch, Brian Sutton, Ben Juday, Dean Schuch, Tim Lampkin, Todd Muche, Larry Pennell. SECOND ROW: Greg Baker, Rex Kinne, Darryll Hamlin, Alfred Welsheimer, Mark Gregory, Eric Simard, Al Southwood, Doug McKenzie, Ned Deer, Bill Schroderus, Jim Jones, John Hebert.

A maze of opportunity is available to each individual entering Petoskey High School. The various activities offered provide each person with the chance to explore, learn, and grow. ## Creative Minds at Work

Expression is the foundation of art. Art can be a physical expression, like dancing and painting; it can also be an emotional expression, like loving and caring. Art is something to be shared, no matter what form it comes in.

The following artwork is essentially a combination of ideas with moods. They work together in harmony; they are compatible. If the exact same things had been produced by different people, the art would have had a totally different meaning.

When interpreted in the right way, the artist's work can unfold his innermost feelings about various things, but mostly about the artist himself.

The Spanish Club, one of the most active clubs in the school, has had many money making projects to help pay for their trip to the Carribbean planned for 1981. They hope to visit at least four Spanish ports in the Caribbean and to travel in Mexico, Pananma, and Columbia.

This year the Spanish Club sold carmel apples at Freshman and J.V. football games, candy bars after school and advent calendars before Christmas.

The sponsor of the club was Mrs. Hildegard Crawford. The president was Carla Steffens, vice president, Becky Gibes, treasurer, Mary Wills and secretary, Julie Jakab.

## French Club— Oui, Oui, Mes Amis!

This year, the French Club's major goal was to earn money for the cruise they plan on taking in the summer of 1981 with the Spanish Club.

Meetings were held approximately once a month, and dues were \$1.00 for the year. Among other activities were a banquet held at The New York Restaurant of Harbor Springs in December, and a few bake sales throughout the year.

The club officers for the year were Traci Corwin, President; Ken Yew, Vice-President; and Kim Kenny, Secretary/Treasurer.

## Dead Language Comes to Life

The major purpose of the Latin Club, organized by Mrs. Vratana was for students to get together and have fun with the often thought of "tough language" of Latin.

The club spent most of their time working on Slave Day and the Saturnalia, which is a week long festival that was celebrated in Ancient Rome. The few money-making projects they had were bake sales and the Odyssey Dance held in April.

Officers of the club were: Tom Hodgkiss and Dave Schuch-Consuls, Julie Norris-Quastor, and Gina Smith-Scriba.

# First Year for Art Club

This year was the first year of the Art Club headed by Mrs. Margaret VanWagoner. The purpose of the club was to have a meeting place for students interested in art and for students to do projects together every Thursday night after school.

The president of the Art Club was Mary Ann Pryzbylski. Vice president was Mike Pflgebraar, and secretary was Kitty Shanahan.

For Homecoming, members of the club donated their time and talent to paint store windows. This project took them all of one day.

First row; Troy Frantz, Robin Swenor, Kitty Shanahan, Mary Pryzbylski, Mike Pflgebraar, Andrea Bjorkman.

Art Club members discuss plans for future money-making projects.

## The Sky's the Limit!

The Flying Club was an organization for students who were interested in aviation and their community. This club, sponsored by Mr. Harris Stevens, was comprised primarily of students in Mr. Stevens' aerospace class.

Activities planned included experiments with miniature aircrafts, an orientation flight, a tour on a DC-9, and several tours of local airline planes.

Meetings were held on the first Wednesday of each month.

# Girls' Softball Club Looks Forward to Initiating a Team

The girls' softball club has worked very hard this year to reach their goal of developing a softball team for Petoskey High School. Girls' softball is a sport in which many other schools in our area compete. With the guidance of Ms. Fairbairn, and the work of the softball club through raffles and bake sales, their dreams of a competitive girls' softball team came true. The club held regular meetings after school during the entire year, and held a few games with surrounding schools. It is hoped that team status will be achieved and girls' softball will become a regular varsity sport at Petoskey High School.

## Stability And Unity, A Goal For Future Varsity Clubs

The Varsity Club is one of the clubs in the school that supports athletics by their sales of popcorn at the basketball games and invitational track meets. The club does not meet on a regular basis, but instead meets when the need arises. It usually holds its meetings after school, at a time when most members are not involved in various sports' activities.

Mr. Dickmann stated, "The club has not had much stability in the past and we hope we can get some by having the same advisors for a few years." He also stated, "The Varsity Club would also like to work more closely with the Pep Club and the Parents' Booster Club."

Next year the club plans to help with the Special Olympics and the eighth grade track meets.

## *In the Special Olympics, Everyone's a Winner*

*Billy DeBoon, winner of a blue ribbon in the standing long jump, watches the track meet with Ottawa advisor Mrs. Steffens.*

One of the most unique and commendable sporting events involving PHS was the Special Olympics. In the words of advisor Bob Sorensen, "It provides an opportunity for kids to compete athletically who have not had many opportunities to do so."

After a fund raising dinner banquet in mid-April, activities began. On March 17, bowling competition was held in Petoskey. Among high honors awarded, Barb Collins received an overall gold medal and Angela Cool, an overall bronze.

It was then time to prepare for the track and field meet which took place in Traverse City. Practices were held each Tuesday and Thursday after school until competition. The workouts were well worth the effort, as every member earned a first, second or third division rating. As the theme of the Special Olympics promoted, everyone was a "winner".

# Honors Assembly— A Time of Recognition

*Mr. Taylor offers some inspiring words about individuals who were honored at the Honors Assembly. He emphasizes how these people are very unique and should be recognized as very special people.*

*Julie Haase gladly accepts an award for her ability to type 50 net words per minute with three errors or less for a ten minute timing. This award was given by Mrs. Smith.*

The 12th Annual Honors Assembly was held on May 15th. As in the past, special awards were given to individuals who have made outstanding contributions to the school and the community it serves.

Recipients of special awards this year were Sarah Russell, Bill Hartson, and Clark Hewitt who were named the American Legion Award winners. Beth Lauterbach and Ann Collins received scholarships from the Air Force ROTC. The coveted award for good humor and spirit went to Cyndi Keck.

Other acknowledgements and scholarships were given to superior academic students. Recognition also went to students for their outstanding efforts in the areas of journalism, debate and forensics, book-keeping, clerical, typing and accounting.

The most memorable aspect of the assembly was the recognition given to the retiring staff members. Spontaneously, students rose to their feet as these individuals came forward to be honored. Their dedication to education and positive effects on students will long be remembered.

*As Mr. Smolinski looks on, Sergeant Purcell of the Air Force Presents Beth Lauterbach with the Air Force ROTC award, an academic scholarship of great honor. Also receiving the Air Force ROTC award was Anne Collins who was not present.*

*Mr. Conway smiles appreciatively, as the student body gives a standing ovation for its overwhelming admiration of the retiring staff members.*

*Mr. Doctor and Mr. Raddatz present Lynn Kleppe, a Magna Cum Laude graduate, with an award for her high academic abilities during her four years in high school.*

*Senior Cyndi Keck gets congratulated with a hug from one of her teachers, Mrs. Price, on her outstanding achievements in high school. Cyndi was honored with the good humor and spirit award this year.*

# *Petoskey's Marching Northmen Take First Place In Durand Marching Band Competition*

*Drum Major, Diane Zmikly gladly accepts a first place trophy for the Northmen during the Durand Marching Band competition. Along with the first place trophy, the band received two additional special awards for their excellent showmanship.*

Marching Band was an activity that required an enormous amount of dedication. Unity, hours of hard work, and desire to be the best were the key elements in this successful season.

Practices for the band started in August. After school began, the Northmen practiced at 7:30 a.m. each day before school, and also practiced two nights a week. Rain, snow, mud, and cold were unpleasant elements, but did not deter the Marching Northmen.

In addition to marching half-time shows at all home football games, the Northmen traveled long and weary hours to compete with other class "A" bands. Traveling to Flushing, Mich., the Northmen competed with nine other bands and placed second overall. The following

weekend the band competed in Durand, Michigan where they competed with four other bands, and did a superior job, placing first. The Northmen also received two additional trophies at this competition, one for marching and maneuvering, and one for high horns. Bridgeport was the final competition and the most difficult of all. However, the Northmen, determined to do well, placed second.

Mr. Brien stated, "This year's marching band was one of the finest ever. They had determination and pride to succeed and did as well as they possibly could all the time. They fought practice time problems, much larger schools and programs, a lack of money and many other problems but had the individual and group leadership to overcome all odds."

Without the guidance and the support of Mr. Brien and Mr. Beamish, the Marching Northmen never could have accomplished such high achievements.

# Concert and Symphonic Bands

The Concert and Symphonic Bands, under the direction of Mr. Carl Brien had a very rewarding season this year. Attendance at each of their community concerts, held in the high school auditorium, was exceptionally high. In February both bands received high honors in District Festivals, playing musical arrangements rated in classes A and AA. Also in February, several individual members traveled to Cheyboygan to take part in the Solo and Ensemble competition.

Many received first division ratings for their performances. Overall, the two bands had a very successful season at both competition and performance levels.

Musical interests can definitely lead to enjoyment, as shown by both the Pep Band and Jazz Band.

The Jazz Band, a group of talented musicians, lead by Mr. Carl Brien, played contemporary songs at various concerts in the area. The group had weekly practices in the band room to prepare for their performances. It was composed primarily of high school students, but was open to anyone in the community. The Pep Band provided excellent musical entertainment at home basketball games throughout the year, playing hits by Chicago, and many marching band pieces.

Their talents helped to raise spirits at Pep Assemblies held during school. Both of these bands were exciting additions to PHS's extracurricular activities this year.

## Girls And Chamber Travel To U of M

Throughout the year, both the Chamber Choir and the Girls' Choir performed extremely well at many concerts. One concert was the 35th Annual Mid-West Music Concert at the Powers Center at University of Michigan on January 18, 1980.

The Chamber Choir was composed of thirty-two students from all grades. The Girls' Choir, which used to be the Mixed Choir until no boys joined, consisted of twenty-eight girls. The members of both choirs were selected based on the quality and range of their voices.

When not on stage, the Girls Choir practices hard tuning up for another quality performance.

## Madrigal Singers Make the News

The annual Madrigal Dinner was held at Boyne Highlands this year, and was covered by the TV 9 & 10 six o'clock news. Choir members from PHS donned replicas of 16th century outfits which were made of silk, lace and corduroy by some of the area's talented women.

Singers and guests alike enjoyed a huge feast which included, cornish hen, sweet potatoes, wine, and various fruits and vegetables. Each entre was preceded by a Madrigal song and the evening culminated with "Bring Us Some Figgy Pudding." A thoroughly enjoyable time was had by all.

Anita Beach doesn't seem to be taking Dan Whitley's proposal very seriously.

# 1980 Picnic

## Most Successful Ever

The Third Annual Student Council Picnic, somewhat of an instant replay of last year's outing, started out in dreary weather. The outdoor plans were abolished and improvising took place. With the grill in the courtyard and the food set-up in the cafeteria, council members were ready for a depressing day in the rain. But slowly, as the day progressed, the clouds parted, and by the time the band was setting up, skies had cleared. Along with the sunshine came many more enthusiastic picnickers.

Throughout the day plenty of activities were available. A volleyball net was set up, sack races were held, and frisbees were seen sailing throughout the day. "Ceyx" once again provided the music, with Joe Hofbauer and Company offering their stereo services before and in between the band's breaks. An estimated 250 people stopped by May 18th to enjoy a day of fun and games. For a day that started out depressing for the Student Council, it proved to be different as the 1980 picnic was the most successful ever.

*Fighting for every inch he can get, senior Tom Trautman uses sophomore Dan Carpenter as a step ladder in an attempt to catch the frisbee.*

*BELOW: Council President Sarah Russell would rather be playing frisbee than cooking chickens, but there was time enough for fun after the work was done.*

Many picnickers were seen lining the sidewalks during the day. Listening to the band, a few sit resting in between volleyball matches, sack races, and other activities that took place throughout the afternoon.

Senior Representative, Glen Young, reports to the council on food prices for the picnic. Listening to the causal report is Wendy Brown and Sarah Russell.

## Ripped-Off But Didn't Lose Spirit

Although the Student Council was plagued with difficulties this year, they managed to accomplish most of the goals set for this school year.

One problem the Student Council had to deal with was the stereo system rip-off. After the turntable and tape deck were replaced, the Council returned from a long weekend to find that the remaining equipment had somehow disappeared. However, the Council refused to be dismayed and officially declared a spirit day and sold pom-poms to help promote school spirit during the long winter months of basketball season. The Council also provided monetary support for the ski teams through the purchase of an ad in the Petoskey News Review.

Although the Council was very busy this year, they did take time for "rest and relaxation". In the fall, they were honored to have as luncheon guests, Astronaut James Irwin and other distinguished Petoskey residents. In the spring the Council once again traveled to Mackinaw Island for a fun and relaxing day in the sun to compensate for all their hard work and effort throughout the year.

Several projects occupied National Honor Society's time this year. Not many meetings were held, but members kept on their toes!

Following tradition, NHS sold carnations and delivered them on Valentine's Day. The same approach was used at Christmas when NHS sold pairs of candy canes.

Senior induction was held right after Christmas vacation, and the junior induction took place following spring break.

On Monday and Wednesday nights, some members donated their time to help the area Laotians learn English. NHS members learned as much, if not more than, the Laotians!

Organization and effort were the keys to a successful and productive year for NHS. Mrs. Wills, NHS adviser, provided leadership, and was ably assisted by president, Judy Daniels, vice-president, Lori Kondziela, treasurer, Anne Collins, and secretary, Cindy Allen.

# Jody Rudolph - Queen For 1980

Homecoming 1979 was somewhat of a letdown thanks to their 14-13 loss, and the snow and rain that caused the halftime ceremonies to be postponed. But the disappointment was strongly overpowered with excitement.

A Homecoming tradition was broken this year due to inclement weather. When time came for the ceremonies to begin, rain and sleet were beating down so hard that the most exciting part of the evening, the crowning of the queen, was postponed until after the game and took place at the high school.

After parading around the track at halftime, the band, the court, and many loyal fans left. But the cheerleaders remained, ignoring the snow and rain,

cheering their team on.

Later that night, students danced to the music of Westward. When the time finally came for announcing the queen, Sarah Russell, Student Council President, gave a short speech and then announced the 1979 Homecoming Queen, Jody Rudolph. Football captain Clark Hewitt and Homecoming King Paul Russell crowned Jody and presented her with a beautiful bouquet of roses. Jody and Paul led the first dance, followed by the court and their fathers.

They lost their game, and this Homecoming will be remembered as the coldest and wettest in the history of Petoskey, but the strong Homecoming spirit couldn't be dampened.

Lynn Kleppe and Rich Swanson take a break from the dancing to smile for the camera.

Tina Donnelly, Vicki Evans, and Karen Crosby cheer despite the poor weather.

At the homecoming dance the Wizard was present and enchanted the evening from start to finish.

## Resolve and Argue- That's Debate!

The Petoskey Varsity Debate team again put forth outstanding effort to place 17th in the State Finals Debate Competition.

Debate season stated early in the fall as students found themselves plunged into hours of practice. Early mornings found them bleary-eyed and packed into cars with their files ever-present on their laps and in the care of Elice Howard's capable hands. The time of reckoning had arrived.

The Cardinal Invitational and Gaylord-Alpine Invitational were several competitions the team participated in as well as the regular league competitions. Overall the team had an excellent record,

boasting a 17-3 record, first place in Novice competition and a 5-3 record, second place, in J.V. competition.

The Novice team received the Free Press Debating Award for the school and several members were individually recognized with a Detroit Free Press Certificate.

The Varsity team of Vickie Vance, Wendy Brown, Monica Bremmeyr, Anne Linck, and Rick Kuticipal qualified for State finals competition with a 5-1 record in the districts, and a season record of 6-4, second place.

FIRST ROW: (L to R) Vickie Vance, Monica Bremmeyr, and Nean Connaughton. SECOND ROW: (L to R) Anne Linck, Wendy Brown, and Steve Vorpapel. THIRD ROW: (L to R) Rick Kutcipal and Tom Hodgkiss.

Those who really "get into" what they read will find their utopia in Forensics. Areas of competition include: extemporaneous, impromptu, and informative speaking, multiple, serious and humorous readings, storytelling, radio, and dramatic duos.

Again, competition was tough this year and the early morning hours found Mrs. Howard and her "crew" on the road putting that last minute polish on each selection.

Traveling the state again this year, competition ranged from the Gaylord Invationals to Standish-Sterly Invationals, to Kalamazoo Invationals. At all of these meets, Anne Linck, Vickie Vance, Lisa Nelson, and Karen Budek did outstanding jobs.

District winners included: Dawn Say in informative speaking, Annette Howse in storytelling, Kris Rasmussen and Steve Vorpapel in dramatic duo, and Vickie Vance in impromptu speaking.

Anne Linck and Lisa Nelson qualified for regional competition where Lisa received a second and third which placed her in the state finals. Lisa finished eleventh in state competition, well representing the forensic talent at P.H.S.

Mary Kay Smith, Wendy Brown, and Vickie Vance look over their final notes after many hours of research.

## *Journalism Rookies...*

Several changes have occurred on the Hi-Light since last year. A new advisor, Mrs. Vratanina, and a completely new staff, with the exception of Editor Glen Young, were responsible for the production of the school newspaper this year.

Although only twelve students comprised the staff, the journalistic skills of Mrs. Vratanina and Glen Young provided a basis for newspaper talent to be developed.

The main objective of the Hi-Light was to express the voice of the students. Glen Young feels, "The only right students have in school to express and share their ideas and affairs is through freedom of the press; and that is one right that is guaranteed by the constitution as inalienable."

## ... Take Responsibility

Rookies abounded in this year's yearbook class, but did not hinder the staff's determined spirit. Only two people from last year's class stayed on and the first-year staff members struggled to keep on their toes — and they did.

Layouts, copy, cropping and photography were several of the skills the class learned. But one aspect of yearbook journalism stood out above all others. This point was drilled into students from day one and was one that has long range benefits. That one thing was responsibility . . . the name of the game.

Despite lack of experience by both staff and advisor, the demanding deadlines were met and quality work was produced. It was a difficult endeavor, but a gratifying accomplishment for all involved.

# Sadie—Hillbilly Hoedown

It was November 26, and after two weeks of delay it was finally Sadie week. Students came to school with their patches pinned to their backs in hopes that they would win the patch contest at the dance on Friday night. Monday was the day to dare your date to a hog calling contest which was held at the dance Friday night. Out of all the hog callers attending, Mark Fedus and Mary Wills proved to be the best. Tuesday was Look-a-Like Day when couples dressed alike. Wednesday, students adorned themselves with fancy hats, ties and bows. Thursday was a special day where dates exchanged small gifts. Last but not least, Friday was the traditional Hillbilly Day.

"Marryin" Samantha, portrayed by Mrs. Pater, joined couples together for the mere price of 25 cents. Daisies left over from Hillbilly Day were given to each couple married.

Dawn Say and her date Kevin Foster won first prize for the patch contest out of the twenty-five couples entered. It was with great difficulty that these winners were chosen as all the patches were creative and original.

Even though the participation of Sadie week was not great and the turnout at the dance was low, the students who did participate had a good ole Southern hoe down at the Sadies.

*Patch contest participants line up for the judging, hoping to win first prize, which was \$5.00 toward the purchase of a 1980 Petosegan Yearbook.*

*Waiting for the next dance, Jim Becker smiles enthusiastically.*

# *"WE MAY NEVER PASS THIS WAY AGAIN"*

## *MAY 10, 1980*

Prior to the 1980 Prom, young men escorted their dates to one of the many fine area restaurants, where they wined and dined in anticipation of the evening. At nine o'clock, Porsches, Corvettes and various other sports cars wielded their way to Boyne Mountain.

An air of nostalgia set the mood for the 1980 Junior-Senior Prom, whose theme was, "We May Never Pass This Way Again." The room was decorated with large posters depicting memorable events of the year and each table was adorned with a vase of roses and baby's breath.

Although the weather was uncooperative, spring dresses, tuxedos and smiling faces warmed the Civic Center at Boyne Mountain as the band *Westward* provided for excellent dancing entertainment from nine until one a.m. Also, during the evening, couples' photographs were taken by Jerry Martincheck, local photographer.

As the last song was played, another experience had come to a close. Each gathered his belongings and finished a perfect evening with individual flair.

*Scott Okerlund and Karin Uhlich, enjoy the moment to the max, knowing they may never quite "Pass This Way Again."*

*Greg O'Gawa and his date Cindy Allen, enjoy a fun and relaxing evening while listening to*

*entertainment provided by Westward in the Civic Center at Boyne Mountain.*

*Senior John Zoerhoff, proudly fashions his tux in a style that says "chic", while dancing the night away.*

*Wayne Hilton and his date Joan Stark visit with Debbie Marshall and her escort Roger*

*Waterson during a short break while waiting for the band to resume playing.*

# Time Exchange

In the blink of an eye, at the crest of a hill, one passes from today into a timeless community - Petoskey. Here people believe in helping one another where mutual exchange is a way of life.

Petoskey High School and the community to which it belongs are bound by a chain of reciprocal support. This section is a portrait of a truly unique community and clearly illustrates the links that tie Petoskey to P.H.S.

- . . . Modern Yearbook Co. of St. Clair Shores, MI. Special thanks go to Lorraine Suprunowicz, Dale Miller, and Martha Brandon for their extra time and effort.
- . . . Amy Reissener, for designing the cover for this year's "Pete."
- . . . the Petoskey News-Review for supplying photos.
- . . . the PHS faculty for putting up with our numerous interruptions, tardies, and misdemeanors associated with the production of the 1980 Petosegan.
- . . . the entire student body without whom this yearbook could never have been produced.

## Editor's Note

Being editor this year proved to be a fantastic experience, but the success of the year couldn't have been possible without the energies of a few people who always did a little more than their share. Sarah Russell, Shelly Campbell, Diane Zmikly and Scott Okerlund have been my stepping stones. Sure, my feet got a little wet, but those guys never let me fall in up to my neck. All my thanks goes to these people and everyone else for making this a special year.

The year would *not* have been complete without Mrs. May. She provided everything from a good laugh, to a good idea, to a good swift kick in the rear end. Fondly called M&M, she was a tough critic to get by, but it certainly paid off in the end. Thanks to everyone, staff members and student body, for the creativity and energy that helped make this book. The best of luck to all of you.

# Time Breakers

The laborious task of conquering life's obstacles is a great accomplishment indeed. But being able to distinguish which ones are important enough to excel in is the true challenge faced by all Time Breakers. They have experienced the lessons of friendship, caring and love. This knowledge provides the basis for critical decisions that will determine their destiny. The Time Breakers have reached the threshold where they must transgress this Wrinkle in Time.

## *Senior Trip 1980*

As 118 seniors stood patiently in front of Petoskey High School at midnight on May 30, three Greyhound buses pulled into the parking lot. The seniors, with backpacks stuffed full of cameras, frisbees, munchies and suntan lotion, loaded up in a record time of ten seconds, and they headed south for Cedar Point in Sandusky, Ohio.

The seemingly endless bus ride didn't matter much to anybody. Foreboding clouds and dripping rain threatened to put a damper on the day. But by the time the anxious students piled out of the buses in Ohio, the skies had cleared and there were promises of a hot, sunny day. The hours were spent eating cotton candy, riding the Gemini, the Corkscrew, and the Blue Streak, playing pinball, and enjoying the warmth of the afternoon sunshine. At 5:00 p.m., 118 exhausted weary bodies crawled back onto the waiting buses and slumped, snoring, into their seats. They were all content to fall back into the memories of a fantastic day.

*Bob Osborn just loves those whirling, dizzying rides. Here he's riding the spinning swings, and he decides that these make him the dizziest!*

*Shooting the rapids can be a lot of fun, and cooling on a hot day. Craig Bonter, Scott Thompson and their friends (both ducking) can attest to that!*

*Polly Wise goofs around with Kathy Scott, begging to be able to ride the antique cars. Everyone will agree the sun took its toll on people that day!*

*Before boarding the bus to come home, Lisa Doxtader hugs her new friend, won at one of the many game booths found in Cedar Point.*

# 1980's Dreams and Memories

For some, a sunrise; for others, a sunset. But for all, the thirteen years seemed to have flown by.

Parents, friends, relatives and administrators sat among the two-hundred-sixty-four graduates and all sat waiting...waiting for that ultimate goal to be fulfilled; the one they had waited for so long. Then the moment arrived; that diploma, that feeling of success, pride and joy touched each one. Graduated at last! The tassel was turned to the other side, symbolizing an end and a beginning.

With all thoughts of books and high school tucked away, the class of 1980 proudly announced their graduation on June 5th, a rainy, Thursday evening. Discovering a new-found joy in achievement, they

reached out their hands, accepted their diplomas and looked toward their new horizons.

*The Class of 1980 has had quite a successful year. This success meant we made it through a year of lectures, assignments and exams; that we survived PHS' pressures AND lived through messy lockers. However, our greatest success was that we have great memories we will cherish the rest of our lives. I'd like to thank you all. I've learned and experienced many things this year that will be my memories. I hope your senior year will be as happy as mine has been. Best wishes for whatever road you choose.*

*Sincerely,  
Wendy Brown  
Class President*

*Feelings of joy and uncertainty are portrayed by Mark Livingston, Barbie Lester, Betty Leow, Dawn Leach and Beth Lauterbach.*

*Dennis Gazso leads the choir singing "Turn Around." They also sang "All My Trials" and "Zip-Ah-Dee-Doo-Dah", and Leeann*

*Knudsen, a senior, performed a solo during the program.*

*The band, under the direction of Carl Brien, gave an outstanding performance in their usual fashion.*

*Shaking Mr. Hewitt's hand, Kevin Collins eyes and willingly accepts his diploma. Finally it's signed, sealed and delivered!*

*Meg Brown, the speaker at graduation, stressed the need for all graduates to make good use of the tools which they each possess.*
