Football team enters post-season play, a first in school history

After an outstanding season with a record of 8-1, the Northmen headed to the playoffs for the first time in PHS history. The team traveled to Ogemaw Heights, where they had hoped to avenge their only loss of the regular season. After a valiant effort the Northmen fell short with a score of 14-7. *For more details see page 44.*

Opinion

Our View

Every morning, between the half hour you take to crawl out of bed and the second you reach the front steps of this, the Petoskey High School, there are probably three reoccurring thoughts that go through your head. The first might be: Will I avoid all oncoming traffic I might miss peering through the six inch wide hole I've dug through the frost on my windshield? The second: How many more days of my life must I waste sitting in classes for credits I don't need to graduate? Finally: What am I going to do when I'm not forced to come to this place anymore? The first two might seem a bit more familiar than the last, but, if you've never thought about the third, you might want to start. When you do, you'll begin to cherish these years more and find that this, the Petoskey High School and its students and staff, are indeed making *big news*.

Community & Events

As the year has passed and the seasons have changed, so have many other sights around this once quiet town of ours. Its funny how someone important finally noticed the beautiful sunsets, great all-around climate, and natural beauty we have been blessed with all our lives here in Petoskey.... and now the move is on.... toward larger shopping complexes, a beltway, the wondrous BAY HARBOR™, and several other improvements to enrich our lives.

Rumors of Madonna and Chris Farley owning property in BAY HARBOR™ have residents and students enthused and optimistic. The PGA Tour in ten years? We'll see.

To make way for the new developments, some old ones had to go. (Above) Oleson's plans on rebuilding after this small fire cooked all the steaks and buffalo meat.

Driving through town was made a challenge from the beginning of spring until early summer as construction of the new main street proceeded. Shopping wasn't easy either.

Homecoming '94 a winning event

Homecoming was celebrated early this year, but that didn't stop the spirit. The tradition filled event all started out with Spirit week. The themes this year were Pajama Day, Tourist Day, Plaid Day, Twin Day, and the traditional Blue and White Day.

This year the administration brought back the snake dance and the bon-fire at the stadium. The event featured Mr. Newstead singing the football team's favorite song, "I'm a Fighter." The varsity fall sports teams were announced and the band performed this season's half-time show.

Friday finally arrived with a

big bang. Starting out the big night was the annual Homecoming Parade that trailed down Mitchell Street. On this year's court sat Jessica Kalbfleisch, Ann Turcott, Erica Smolinski, Mary Ann Barney, Molly Billideau, Heath Robinson, Jason Brecheisen, Shawn Racignol, Brandon Bielas, and Kevin DeGroot.

The next event of the evening was the football game, and everyone was full of excitement and anticipation. The focal event of the evening, the half-time show, was filled with excitement and fun. The junior class won the float contest for the second consecutive year.

The theme of the winning float was "Sizzle the Saints."

Following the float contest and the performance of the band, came the much anticipated announcement of the King and Queen of the Class of 1995. The senior class voted Brandon Bielas King, and Molly Billideau Queen. Both were obviously surprised and delighted about the announcement.

The game continued, and the Northmen won with a score of 42 points. The Saints ended the game with 14 points. The win helped to further boost the excitement of the 1994 Homecoming event.

Senior Ernie Wynn went all out on Pajama Day, as well as the other spirit days.

The Homecoming Court of the Class of 1995 included (front row, left to right) Jessica Kalbfleisch, Ann Turcott, Erica Smolinski, Mary Ann Barney, and Molly Billideau. Representing the men were (back row, left to right) Heath Robinson, Jason Brecheisen, Shawn Racignol, and Brandon Bielas. Absent from the photo is Kevin DeGroot.

Twin Day during Spirit Week brought out many new twins. Seniors Erica Smolinski and Jennifer Crockett matched up in Coca-Cola tee-shirts, Rachael Brown and Mary Brecheisen, both juniors, donned twin outfits, and seniors Ann Turcott and Molly Billideau went no-holds-barred, as they matched each other from head to toe with everything from snow shovels to flower pots. Ann and Molly, incidently, won the Spirit Contest for Twin Day.

Play Goes Into The Woods

Into the Woods is a play that intertwines story book characters and creates real life situations that show that evil people are capable of good, and good people often make wrong decisions. Cinderella and the Prince, The Baker and his Wife, Jack and the Beanstalk, Little Red Riding Hood, Rapunzel and the Wicked Witch all try to cope with the intrigues of the woods. Auditions for the play began in November and parts were casted at the end of December. Practice started after Christmas vacation and lasted through the first three weeks of March. Directors Todd Bolitho, Jerry Westerman, and Julie Pierpont, along with musical director Carl Brien and accompanist Julie Waterson, along with a talented cast prefomed one of the toughest plays ever to hit Broadway.

Prince Zach Martinchek captures lovely maiden Kate Biggs.

The Madrigals choir had one of their best performing seasons this year. Only three of the twenty Madrigal members were new to the group this year. "The new members were welcomed into the family. It all worked out really well because they wanted to be a part of us as we did them," said two year lord Zachary Martinchek. The choir performed songs such as *Riu Riu Chiu*, *A Spotless Rose*, and *O Magnum Mysterium*. The biggest part of the madrigal season is around Christmas time. They sang at more than fifteen functions, including several dinners at Stafford's Perry Hotel and at Audies in Mackinaw City. The Madrigals also earned straight ones at District and State Choral Festivals. This is an accomplishment unprecedented at Petoskey High School.

Choir heads to Toronto

This year's Chamber Choir was directed by Mr. Todd Bolitho for the second year. The choir performed at the annual Christmas Concert held at St. Francis Xavier Church in December. They performed "Ye Shall have" by Randal Thomas, "I've Got Shoes" and "Silent Night" arranged by Todd Bolitho. For a spring concert, the choir traveled to Toronto over the Memorial Day weekend. They spent 3 days in Toronto and performed at St. Micheal's Cathedral. Along with singing, they toured Toronto and watched a performance of "The Phantom of the Opera". After watching the play, the choir enjoyed an afternoon at the Eaton Center for some shopping. Jaime Hoggard said, "We had a very busy and productive year."

New choir started at PHS

A new tradition was started by Mr. Bolitho this year in the music department. Due to the abundance of girls with excellent voices, it was decided to start an all girls' choir. It is called the Belles choir. Seventeen girls were selected out of the chamber choir in the fall to participate in the new endeavor. The reason for the name was because the girls ring bells while they sing. Similar to Madrigals, the Belles also sang at a dinner recital at Staffords' Perry Hotel. The Belles is a nice addition to an already fantastic music department.

Petoskey Marching Northmen

The P.H.S. Marching Northmen continued a tradition of excellence in their 1994-1995 season. The year began when the band attended camp at Ferris State University. Returning home, the band performed at the first football game of the school year. They then launched into a hectic schedule, performing at invationals in Kentwood and Traverse City, and competitions in Hastings and Jenison.

Directed by Carl Brien, percussion by Barry Bennett, and color guard by Jim Kan, the marching Northmen placed first in their division and took best horns and percussion caption awards at Hastings. They also took caption awards for percussion, horn, color guard, marching and placed first in their division at Jenison. With the football team continuing to the play-offs, the band also traveled to Ogemaw Heights for their last performance.

"We came out for a really strong season. I am really happy that this year's Marching Band was so successful," said Amber Crim.

Petoskey bands have another

The Wind Ensemble and Concert Band season started out a little late because of the winning Football team, but that did not stop them from having another great year. They marched in the annual Homecoming parade and the Memorial Day Parade. They also put on a year end band concert at which the auditorium was filled to capacity. During the District Band Festivals, held here in Petoskey, the Concert Band and Wind Ensemble received straight ones. The music they performed during the season included popular Jurassic Park and Lion King assortments. Overall, the bands had another exciting year.

Members of the band this year are Freshmen, A. Batog, N. Biggs, A. Blomberg, J. Boyer, H. Brown, C. Clacko, A. Clark, E. Cole, A. Craig, W. Deloria, J. Dunkel, N. Faust, D. Fettig, V. Fettig, G. Music department excels in all areas of endeavor

From choir, to marching band, to Madrigals and more the music department at PHS is truly outstanding. The students involved in any facet of the music program know the benefits derived from being a member of any of the numerous musical groups found here. It's commonplace to hear of number one ratings for any of the groups.

Art club colors our lives at PHS

Many PHS art students frequently earn awards.

Art club, under the direction and supervision of Margaret VanWagoner, helps to enhance and brighten our halls and lives at PHS. The art club is responsible for all of the murals covering the walls of the high school. This year's major project was the completion of the pep club mural down at Central Gym. This completes the art club's contributions to the uniqueness of our varsity gym. The art club also helps with the set-up and organization of the annual K - 12 Art Fair which is held in the spring in the lobby and library of PHS. Without this club things around the high school would be far less "bright".

Debate team argues its way to state finals

This year's Petoskey High School Debate Team consisted of four varsity members: Kurt Meyer(95), Michelle Bowman(95), Lindsay Mallard(96), and Sommer Brown(96). Also included in the team's success were four novice members: Kari Gustman(98), Michelle Friday(97), David Willens(96), and Andy Bielaczyc(96).

The team had a successful year debating the topic of immigration. Debaters traveled 3,370 miles, attending eight tournaments. Out of these eight tournaments they won four: Oscoda, Wayland, Marshall, and Traverse City league. At every tournament, excluding Michigan State, the team broke to the quarterfinal rounds. They happily took second place behind Caro at the district tournament as well as tenth place at the State Finals in Novi. This team could not have traveled so many miles or done so well without a dedicated coach like Mrs. Howard.

Forensics has state qualifiers and many tourna- ment wins

The 1995 forensics team began practices immediately after Christmas break in order to be thoroughly prepared for the many tournaments and invitationals they participated in this year. It was not unusual for the van to pull out of the parking lot at 3:00 a.m. in order to get to their many downstate competitions. The team traveled to such places as Portage, Battle Creek, Ferris State University, Traverse City, and Charlevoix. Lindsay Millard and Kurt Meyer were both state qualifiers and represented their school very nicely.

It's more than just a club!

One of the clubs at Petoskey High School is the Stat Club. To be involved in the club the only requirements are that you need to be dedicated, responsible, and preferably a female. There are many things that the Stat Club does for the wrestling team such as working the concession stand and cleaning up after meets if needed, but more importantly they keep the books, and keep score. The paper work they do on a usual basis is the state forms, the book, and the form for the News Review.

The Stat Club tries to have a meeting once a week on Wednesdays. At the meetings they discuss which girls would be able to travel during the weekend and which team they would be traveling with. They also make and put up locker signs for the team members. After this they talk about where the team will be wrestling during the week, home or away. Mr. Arthur, the head of the Stat Club, would like all of the girls to attend all meetings during the week.

During the season they get together every day for two weeks. In these two weeks they prepare for the tournaments that are held in Petoskey. It is very important that the members understand everything that goes on during the tournament,

Above: back row (from left to right), Rhonda Simon, Virginia Peterson, Kellie Myrick, Carrie Gokee, Amy Milner. Front row: Angela Fettig, Katie Bradley, Vanessa Fettig, Connie Clacko, Nancy Faust.

because they are the ones that run the tournaments. The two other important nights that they prepare for are Parents Night and Alumni Night. These are both extremely important for the team, because they are the nights that there are the most fans. The Stat Club starts preparing for these two nights weeks ahead of time.

Even with all the work involved in being part of the Stat Club, the girls have a lot of fun. You learn a lot of important things during the season, and you leave it with a lot of memorable experiences that you will have with you for a lifetime.

The Business Club had a successful year. They did a variety of new things this year from having a fashion show, to taking a day trip to Baker College and then spending the afternoon at Muskegon's Michigan Adventure Park. Throughout the year they have had several meetings and a pizza party. Anyone that is taking a business or computer class is welcome to join the Business Club. They select a president, vice president, secretary, treasurer, and a parliamentarian. Even if you do not hold one of these positions, you are still very important to the club. The club plans to do another fashion show next year, and participate in Wizards of WallStreet, sponsored by Davenport College. The club would also like to go to Chicago next year. Joining the Business Club can be a fun and rewarding experience for anyone that enjoys the business field.

FFA is active throughout year

The FFA is a national, state, and local organization for students interested in agriscience, agribusiness, and production agriculture.

Our local Petoskey FFA students have participated in a variety of activities throughout the year including; Region FFA Fall Decathlon, Leadership Contests, T-shirt and Fruit Sales, Michigan State FFA Convention, Arbor Day Celebration, and the FFA Spring Skills Contest. They even sponsored a needy family at Christmas.

The FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agriscience education.

DECA has a successful year

Marketing students once again came together, under the special care of Gundy, to compete in DECA. After months of review, the group competed at the district competition held at Muskegon Community College. Nine of these students advanced to state competition.

After two days of grueling competition, containing two tests and two situation walkthroughs, only one of the fearless fighters was able to move on to the final national competition in St. Louis, Missouri.

Rachel Graham was a determined competitor among many others representing all fifty states as well as some from Cuba. She spent one week in St. Louis along with Mr. Gunderson. It was a respectable year for all DECA participants.

NHS inducts 38

The National Honor Society is a group of eleventh and twelfth graders who exhibit four distinguishing qualities: scholarship, leadership, character, and service. Each student is selected by an anonymous group of teachers and must have at least a 3.3 grade point average. The Society inducted a record number of 40 students this year. Gretchen Lucky was the guest speaker and a luncheon in honor of the inductees followed the ceremony. Members are involved in tutoring throughout the year and also in the organization of the two annual blood drive held at the high school.

Student Council has Busy Year

This year's student council had another busy year planning and promoting activities to enhance the school year. Homecoming was planned and organized by the student council and their leader Mr. Rivest. It came off without a hitch. The council also sponsored the Winter Formal and helped to plan and prepare this year's Prom. A local charity benefitted from the student council and the students of PHS when the annual money drive was put on. Competition between classes made this a fun event for the entire student body. The council also took their annual trip to Mackinaw Island to celebrate a successful year at PHS.

Journalism alters directions

Blue & White Revue undergoes many changes

This year's Journalism II students have transcended the boundaries of their long-time newspaper format, publishing *The Blue & White Revue*, a quarterly news-magazine. The new format has brought spirited discussion of issues and greater school awareness to PHS.

Advisor Ryan Donlan had discussed the news/magazine concept with students for a few years. It wasn't until this year, however, that the students under the leadership of Shelly VanSlot decided to take-up the challenge. This commitment involved in-depth investigative features, higher writing stan-

dards, and thoroughly researched editorials. In one instance, VanSlot spent the night in a homeless shelter; in another, Lisa Whyte accompanied a Petoskey police officer on an all-night patrol.

Overall, feedback on the new publication has been positive. One faculty member called it, "The best [he has] seen in 20 years."

Administration members have also admired the efforts of students, complimenting their overall reporting tenacity and thoroughness of content. Administrators have been consistent in their reminders, however, of the need for positive

press in the school setting. They feel that the *Blue & White Revue* should continue to increase such coverage.

Added attractions this year include a Reader Panel. Here, students, teachers, administrators, journalists, and community members voice their opinions on journalism coverage. Also, more cartoons and illustrations fill the pages. A full-picture front page and table of contents are also part of the new look.

Student autonomy is still a hallmark of the class's success. Editorial decision-making, grade evaluation input, and peer development are some of the

student responsibilities and opportunities. Meetings with teachers, administrators, and attorneys are held throughout the year, ensuring that the highest journalistic and legal standards are upheld.

Goals for upcoming years include an expansion into Broadcast/Video journalism. Equipment acquisition, however, is a factor. Donations from outside entities are being sought to get the program off the ground.

Whatever the direction the future holds, our school's journalists will undoubtedly continue their quest for the public's right to know at PHS.

Yearbook staff shows dedication

Dozens of students walked into Mrs. Lucky's class at the beginning of the school year to form one of the largest and most ambitious yearbook staffs ever.

For the first time in many years, the Petoskey staff met as a class, and not as an extra-curricular group. Mrs. Lucky, as in years past, assumed the post as staff advisor, while Ryan Nelson and Kent Kuhlman led the staff as Student Editor and Design Editor, respectively. Under their guidance, the yearbook staff worked diligently to produce one of the highest quality yearbooks in many years.

The staff boldly stepped forward and went beyond many of their original goals. They

gathered thousands of dollars from advertisers, increased the number of pages to over 200, and spent countless hours outside of class working to complete their goals.

Even while faced with this seemingly gargantuan task, the staff managed to keep spirits high and have an enjoyable time. Humorous antics from various staff members kept spirits high, and made the long hours bearable.

After the amount of time and effort put forth by the staff, most were proud of what they had produced. Said photo editor Randi Bucher, "I was proud of how the staff pulled together to meet the challenges of making a yearbook to be proud of." Nearly everyone agreed.

Mrs. Lucky was worried that we'd never finish the yearbook, but we proved her wrong."

POSSE helps out

POSSE continued to help PHS in the 1994-1995 school year. Under the leadership of Claudia Bost, POSSE sponsored Teen Health Issues Workshops in April again for the second year in a row. Many new classes were offered such as the CPR certification course. POSSE also had informational tables for parents with various pamphlets and flyers during conference time. In the beginning of the year, POSSE also put on AIDS Awareness Week. Students watched HIV/AIDS related video's, including one produced by POSSE members themselves.

HOSA goes to nationals

HOSA, or Health Occupation Students of America, had a very successful year. The teams spent long hours studying medical topics with adviser Claudia Bost (RN). There were several categories in which the students could compete, including Medical Terminology, First Aid/CPR, and Health Display. The group was divided into two teams. The first consisted of Lori Smith, Renay Schwall, Molly Swiger, and Jessi Ulmer (of Boyne Falls). They placed in the top eight at regionals qualifying them for states, but were unable to compete because of prior commitments. The second HOSA bowl team of Dana Andrews, Jenni Kanine, Amanda Fletcher, and Nick Erber (Boyne Falls) placed first at regionals and also first at states. They qualified to compete in June at the national competition in Kentucky.

O.M. is something not many people have heard of. O.M. is a group of young people solving problems, writing skits, thinking hard, and most of all, having fun. This year the team's problem was to design, develop and implement a system that would sort and transport domestic mail, foreign mail and two express packages. These items began at a mailbox, were sent through a Distribution Center and then transported to their proper destinations.

This year's Division III team consisted of juniors, Matt Walz, John Wojcik, Gus Morison, Andy Walz, Carl Rochon, Lindsay Millard, and sophomore Amy McGarey. Even though this was their first year competing together, they placed first at Regional Competition in Gaylord and sixth at the State Competition in Mt. Pleasant..

Northmen pride proves victorious

Many members of the varsity football team began the year by camping out overnight on the Curtis field fifty yard line.

"This doesn't win football games," said Coach Farris, "but it shows a commitment."

It was a commitment indeed. This years accomplishments have set the precedents for years to follow. During their quest for excellence, the Northmen achieved all three of their team goals; they had a nearly flawless season, won a conference championship for the first time in twenty years, and competed in the state play-offs for the first time in PHS history.

There were obviously many important keys to this years successes, but the one word that stuck out in everyones' mind was "teamwork".

When asked what he thought Petoskey's greatest strengths were, Coach Coon of Cheboygan replied, "Unity. You can see it."

Another important aspect of the game was the leadership by the elected captains. This team had many good leaders, but the ability of some leaders to be lead made the team strong.

Perhaps Petoskeys biggest feat this year was a victory over Cheboygan to win the conference title. Returning from a

season where they won a mere three games and finishing dead last in the conference, all odds were against the Northmen. After a hard fought win over Gaylord, they marched onto Curtis Field before a record breaking crowd and won one of the most memorable games in P.H.S. history.

On an individual note, second team all-conference honorees included Mark McClutchy, Adam Wells, John

Poquette, Aaron Vance, Shawn Racignol, Heath Robinson, and Josh Hornbaker. First team all-conference picks were Don Thorn, Dave Keller, Jerod Notestine, Earl Flynn, Jake Villemure, and Jason Brecheisen.

Unfortunately, in November, twenty seniors turned in their helmets and cleaned out their football lockers for the last time. Memories of the 1994 season will never die.

J.V. team members gain experience

This year's Junior Varsity football team was a classic example of why *not* to judge a book by its cover. Although their three win record may not have shown it, the young Northmen improved plenty from their freshmen year.

Coaches Steve Ross and Mike Greene held the Northmen close in every game.

Led by quarterback Tyler Swenor, running-backs L.A. VanLiew and Matt Bride, and a well coached offensive line, this year's team had success with both the running and the passing attack.

On the other side of the ball, with versatility and cooperation, Petoskey's defense kept their opponents out of reach.

Upon the conclusion of the regular football season, five dedicated members of this team extended their season by practicing along with the Varsity

team. "Practicing with these guys has really made me realize the tenacity the J.V. teams plays with," says Aaron Vance. "If they continue to play as hard as they practiced I will certainly

enjoy watching them perform in the future."

From the first practice in August to the final game in October, the Northmen worked hard and played with a lot of heart. Many improvements

were made and plenty of experience was gained.

Freshmen have a triumphant year

Never before has any Northmen team ended a football season with such a good record at this level. This year's freshmen concluded a smashing season with a remarkable six win two loss record.

The only two losses were from two very tough teams.

Bellaire's Junior Varsity team won in the final moments of a controversial game and Cheboygan won one of the two games played this year.

Led by the elected captains Adam Foltz and Mitch Shuman, the Northmen offense rushed or passed for a mini-

mum of two touchdowns every game. On the other side of the ball, Petoskey's defense kept their opponents begging for mercy.

"It's fun when you have a great season like this along with wonderful team unity," said Andy "Air" Mayer.

Next year, early in August this same team will re-unite to begin a fresh season as junior varsity players. Coach Ross and Coach Greene are looking forward to working with such a fine group of athletes.

Varsity Boys' Soccer: What's new??

Expectations were high coming in to the 1994 Petoskey Varsity Soccer season as many key players returned from the team that reached state finals last year. The team, however, was plagued by injuries throughout the season which brought inconsistencies in both its performance and style of play on the field. Even though the team goal of reaching the state finals was not attained, the Northmen still enjoyed a very successful season.

Once again, Petoskey's soccer program solidified its reputation as one of the most dominant in the North by repeating as MHS conference champions, going undefeated and not allowing a goal in league play. Petoskey also captured their sixth district title in a row by defeating Cheboygan 5-1. The season was one of mixed emotions with impressive victories over Flint Powers, Elk Rapids, and DeWitt while heartbreaking losses came at the hands or feet of Oxford, Mason, and Traverse City.

The Northmen tournament run came to an end in the first game of regionals where they faced eventual Class B runner-up Ludington. As the players reflected on the season, they came to realize that inconsistency ultimately lead to their demise. Class B all-staters Jeremy Huffman, Zach Jonker, and Matt VanderNaald, led the team in scoring with All-Conference performers David Pumarejo, Mark McClutchy, Marty Smith, and Mike Thurman also making key contributions. All the talent returning next year combined with the coaching expertise of Scott Batchelor, the only varsity soccer coach in school history, should bring even higher expectations and another one for the record books in 1995.

Coach Julie Jacobson pulled together a group of young athletes and had them in a position to win each and every game they played.

Senior-led ladies' soccer surprises

This year's ladies' soccer team was a combination of seven seniors, three juniors, four sophomores, and five freshmen.

Regardless of all the new players, this year's team had the best girls' soccer record in Petoskey's history. They ended the season with a record of 14-2-4, district champs, and Petoskey Invitational winners.

Coach Batchelor always tells his teams, "To improve, you must play teams that will challenge you." And that is exactly what they did.

The second week of the season the team played defending state champions Madison Heights/Bishop Foley, and proved that they could compete with the best. After playing in mud puddles and drain pipes (on the field), the ladies went back to their hotel to prepare for a game the next day.

The team thanked Mrs. Smolinski after she took the stinky, muddy uniforms to the cleaners after the game day.

The eighteen game season included six weeks with three games each, often two a weekend. The team accumulated 75 goals and seven shut-outs.

Whether playing Traverse City or Harbor Springs the girls played with intensity and focus that helped them to accomplish their goals.

Team members included (kneeling, left to right) Sarah Hayes, Sarah Liebler, Kara Kimbler, Liz Holowasko, Hilary Stover, Renee Raiche, Kelly Vorenkamp, Audrey Hoshield, Emily Teske. (standing) Anne Parker, Randi Bucher, Lisa Waud, Jane Rossi, Mary Carolan, Diane Stout, Erica Smolinski, Mary McWatters, and Coach Scott Batchelor.

Girls' Cross Country team exceeds

The 1994 girls Cross-Country team had yet another great season. Starting off in June with Cross-Country camp at Camp Daggett, the team had an abundance of early training.

The first meet, known as a European race, was held in Charlevoix. This was not an ordinary race. After bounding hay bails, running through streams, and leaping fences, the team might have said that this was the best race ever.

The girls went on from meet to meet, and did exceptionally well. The conference meet was held in Petoskey. Petoskey's girls placed 2nd out of 5 teams, with Gaylord clutching 1st place.

Regionals were next. The girls went in knowing they could do it, and went out knowing they had done it; they placed 3rd, and qualified to go to the state meet. The girls had accomplished their goal. They were off to Grand Rapids for the Finals. Placing 22nd out of 27 teams, Petoskey ended the season on a good note.

Running in their final season were seniors, Julianne Shuman, Mary Carolan, Molly Billideau, Robin Johnecheck, Jessica Kalbfleisch, Kim Farrimond, Jaya Brossard, and Katie Hofmann.

Boys' X-C takes fifth at regionals

Pride, effort, and success—these three words perfectly sum up the Boys' Cross Country team this year.

With a record-high twenty-six runners, the boys displayed tremendous heart and character all season long, allowing them to stand tall, as true Northmen should.

Through exceptional efforts in training and unbelievable perseverance during races, a number of goals were accomplished over the course of the season.

After a strong second-place finish in the Conference meet, the Northmen were then prepared for Regionals. Overcoming all odds, the team battled to a spectacular fifth-place.

In view of this outstanding performance, coach Don Dickmann labled it a "banner day in the history of Petoskey Cross Country."

Although the team was unable to advance to the State competition as a whole, Dan Glaser and Regional-medalist, Steve Cole, raced as individuals.

With only two runners graduating, the team will continue to flourish, with its successful blend of youth, experience, and determination, thus setting the stage for possibly the most powerful Boys' Cross Country team in school history.

Girls' Tennis, a Smashing Success

Although they had their ups and downs, the girls' Varsity Tennis team exceeded everyone's expectations in the 1994 season. Their win-loss record was eight and four.

Coached by Karen Langs, the team placed fourth in their region. They also sent five positions on to the semifinals.

"The team should remain strong next year, since we're losing only a few seniors," said Kate Biggs, class of '96. Senior Mandy Hoggard added, "No one should be upset by the outcome of this year, because we surpassed all of our expectations."

The girls' JV Tennis team combined work and play to have a very successful season. To begin the season, many of the girls attended a summer tennis camp at either Ferris State or Michigan State University. Practice was then scheduled at 7:30 am for the remainder of the summer, and continued into the school year. Coached by Carol Thompson, the team worked on endurance, technical skills, and competition.

Their record was eight wins, three losses, and one tie, as well as two rain-outs. Although the team lost to Traverse City JV, for the team it was a big accomplishment to win number one and number two doubles.

Varsity Lady Northmen pull off sensa

How about that girls' basketball team? Their season was a long, but very successful one. Practice started on August 1st and the work didn't stop until November 21st. The Lady Northmen started out with a bang. They won their first nine games in a row before they suffered a loss at the Sault. The loss to the Sault had a positive effect on the team and they came back with fire in their eyes. The Lady Northmen dominated their opponents the rest of the season. They ended up with a 19 and 1 record. After sweeping the conference for the first time in 18 years, they moved on to districts. The Cheboygan Chiefs were defeated in the first game of districts. Then the Northmen defeated the Gaylord Blue Devils in the final game by just 2 points, improving their record to 21 and 1. That set the record for the most wins in a single season for any Northmen basketball team. The girls had just four days to prepare for regionals in Gaylord. Manistee was the first road block and what a big road block it was.

The Northmen Girls couldn't pull it out and ended up losing by just 3 points. To the girls, the season ended prematurely, but to their fans they had a great season and the girls had nothing to hang their heads about. A tremendous accomplishment for a superb group of ladies.

J.V. Lady Northmen dominate the court

The girls J.V. basketball season was an excellent one. The team approached each challenge with a good attitude and learned from each result. The season began with team camp. The players did great and they learned a lot about teamwork and character.

The "official" season started off great. The team won seven straight games before suffering a loss to the Traverse City Trojans.

Overall, the girls ended up

with a 14-6 record. Highlights of the long season included wins over tough Cadillac, Sault Ste. Marie, and Cheboygan teams.

Most of all, they gained a feel for big game situations which will help them make next year just as successful.

The girls all agreed that the season was great and memorable and would like to thank Coach Okerlund in hopes that she might reconsider her plans of retiring.

Kim Keck looks to pass the ball to Mary McWatters, while Andrea Cunningham and Emily Meyer get inside position.

Frosh finish excellent season

This year's girls Freshmen Basketball had an excellent season finishing with a 12-3 record.

The girls' hard work really

paid off for them, especially at Charlevoix the second time around. Losing to them in the first meeting by just two points, the girls knew that the second game would be difficult. With a strong defensive effort and Northmen pride, the girls brought home the victory, Petoskey- 39, Charlevoix-38.

"We really pulled together for the game. They were a tough team to beat, and we were excited to have the win," said Brianne Graham.

There is a lot of talent in this group of girls, and they are really looking forward to next season.

Ironmen: Golf retires 'fore' seniors;

The Petoskey Northmen golfers had one of their best seasons ever this year. Led by seniors, Kevin DeGroot, Braden Graham, John Likens, Jim Reid, and freshman Nic Bueby, they finished their season with a 12-2 record. The team placed well in all of their invitationals this year. They took first place in class B at every invitational except Alpena. The team won their conference match for the first time in six years with DeGroot, Graham, Likens, and Reid making the all conference team. In their region, they placed third, earning a trip to state finals at Michigan State University. At finals they took twelfth place, the third best ever in Petoskey golf history. Although the team did not make the second round, senior Kevin DeGroot qualified. Kevin shot a 79-77-156 to earn a rank of 16th in the state. The team is losing four varsity members but look promising for next season, with a strong J.V. team coming up.

"Our goal coming into the season was to make it to state finals. The season was a success because the team worked together. We accomplished everything we wanted to," said Reid.

Petoskey High School had its first ever J.V. golf team this year. The team finished 10-1 on the season. It was made up of four sophomores, Troy Eaton, Kevin Krusell, Mark McGeath, and Brian Watts, and two freshman, Chris Chandler, and Jon Schwall. The low score of the season was posted by Chris Chandler, who shot a 42. The J.V. golfers beat the

opponent's varsity team 6 times. The prospects for next year's varsity team look extremely promising.

"Our season went really great this year and I'm looking forward to next season," stated Jon Schwall. Many of the J.V. team members will be moved up to varsity next year, because the varsity team lost four seniors this year.

Boys' varsity basketball:

This years boys' basketball team was one in a milion. The five senior starters, Kevin DeGroot, Jeremy Huffman, Zach Jonker, Jason Brecheisen, and Bob Thomas, lead their team to a 19 and 4 season, one of the best years on record. The boys couldn't have done it without coach Dennis Starkey. Starkey received All- State honorable mention for his 9 year 138 and 65 record.

Many records were broken this year. Four year letter winner Kevin DeGroot received All State honorable mention. He finished third on the all time scoring list with 898 points, third on the foul shooting record with 81.7%, second on three pointers with 80, and broke the school record for the most steals in one season with 69. Jeremy Huffman also ended up with All-State honorable mention and fifth on the all time scoring list with 833 points. Huffman lead the team in scoring with 353 points and lead the team in rebounding with 174.

Zach Jonker and Jason Brecheisen received honorable mention for MHSL All Conference Team. Brecheisen lead the team with 92 assists.

The Northmen scored 1,655 points in 23 games. The 1988-1989 team was the only team to pass 1600 points in one season.

J.V. Boys B-Ball: "A true team"

With the additions of juniors Dana Andrews, Brendon Laguna, and freshman Trevor Huffman the J.V. basketball team improved greatly from last year. Fans could just see the enthusiasm and renewed confidence in their faces and style of play. With Dana bringing down the ball, Trevor taking it to the hole, and Tyler in there rebounding they were a tough team to defeat. Coach Matt Tamm did an excellent job of taking the talent he had to work with and transforming them into potential Varsity prospects. Coach Tamm had the strength on the bench to give the starters a rest and maintain their winning ways. Matt Bride proved that he was able to take the pressures of being a point-guard and Grant Berakovich, Pete Foltz, and Shawn Worden did a excellent job controlling the boards. They may not have had the best record, but they have the heart to be an outstanding Varsity team.

Freshman boys look promising

Standing: Coach Charlie Wilson, Lucas Brill, Rob Pittman, Mitch Shuman, Adam Foltz, Jon Schwall, Woody Deloria, Nic Bueby, Paul Farrugia, Nick Foltz, and Dusty Cross. Kneeling: Tim Hoffman, Darby Harris, Scott Hutchison, Mickey Stoddard, Chris Chandler, Charlie Matz, Dan Hoffman, and Nick Foltice.

This year's Petoskey freshman basketball team had a sluggish start, with an 0-3 record. Their first three losses were against very respectable teams. The Northmen headed into their own Kiwanis Invitational with a 10-7 record. "We started to play really well in the middle of the season, winning the tight games which we were losing in the beginning of the season," said Mickey Stoddard. Petoskey won the invitational by handing Boyne City their first loss and then by defeating Rudyard in the final game.

Girls' ski team enjo

The 1995 girls' ski team not only took first in Regionals but they captured the Conference title, too! Going for their fifth straight State Champion title, they fell short by one point to their biggest rival the Traverse City Trojans.

Senior Jennifer Crockett captured the first place title in slalom at the State Meet at Nubs Nob Ski Resort. The varsity squad consisted of Seniors: Jennifer Crockett, Jaime Johnson, Erica Smolinski, Mary Carolan, and Mandy Hoggard, Juniors: Sarah Liebler and Courtney Johnson, Sophomore: April Johnson and Freshman: Jane Rossi. The lady Northmen also had four other regular meet first place finishes, and two seconds. Next year they will be four returning leterman and several talented underclassmen to strive to put the State title back in Petoskey's hands!

P.H.S. Skiers Maintain Tenacity

Unofficial ski team dry-land training began early in the month of November. Each day in the pit, men interested in increasing their cardiovascular activity and racing on the alpine race team ran the halls, jumped on boxes, and completed other various exercises.

Petoskey runs a very competitive ski team both internally as well as externally, not to mention there are only six varsity spots available. It's extremely tedious work deciding who deserves to race and in which spot.

"Unfortunately, we are only allowed to have six racers in any one event," says Coach Brewster McVicker. "With the skiing capabilities of the guys on this team, almost every one of them would ski at the varsity level on most teams in this state.

Lead by senior captain Aaron Vance and outstanding skier Adam Olsen, the 1995 men's ski team ended their dry-land practices and began on snow drills just one week into December. Much to everyone's excitement the outstanding snow-making capabilities at Nub's Nob provided conditions suitable for practicing.

Following many drills and time trials over Christmas break, Northmen skiers were ready to show their stuff in

their first meet. Both A and B teams raced to a very close second place behind Traverse City. One week later the varsity team went on to defeat a very powerful Harbor Springs team to gain a second place finish in the Harbor/Petoskey Invitational.

Two seemed to be a lucky number for the year as the team would go on to place second in a series of races to follow.

The Petoskey High School men's racing season came to an end on a gorgeous day at Boyne Mountain. Petoskey needed second place in order to continue on to the "big dance", or state meet; they placed third.

The regional ski meet was without a doubt the toughest race on the schedule.

"We really consider it to be the real state meet," said Brewster McVicker.

Standing on the race hill at the state meet Brad Newman said, "You know if we had been in any other region we would have been racing here and probably even placed in the top three."

With much of the varsity team still intact Petoskey will surely be a competitor in next years state meet.

"The underclassmen on this team deserve no less than a state trophy next year," said Aaron Vance.

Northmen Wrestlers accomplish

The 1994-95 Petoskey High School Varsity Wrestling team had an outstanding year. The wrestling team is coached by Ray Arthur. This year Mr. Arthur had nine Individual League Champions, and ten tournament championships. The team record was 29-3. they also took the Michigan Huron Shores Championship, districts, and regional champions.

"I feel the B-team and Junior Varsity squads had a great season. They also won many tournament championships," stated Coach Arthur.

Volleyball team takes

Although the volleyball team had a slow beginning, they ended up having a great season.

For the first time in PHS volleyball history, the team won their district by defeating Grayling and Cheboygan in the finals.

The weekend following the district rally, the team traveled to Gladwin for regionals. Although the Lady Northmen played tough, they lost a close game to Saginaw Swan Valley.

Team captain Kim Farrimond(95) said of the team's effort, "We played with determination; we're proud of our efforts and accomplishments."

This year the team graduated four seniors, including Kim Farrimond, Becky Janeczek, Heather Gilbert, and Kristin Meyer. Meyer broke several school records, including most career attacks, most kills, and most solo blocks..

When the season came to a close the Northmen were 21-11 overall and 10-6 in the conference, which gave them the right to half of the conference championship with Sault St. Marie.

The Northmen had excellent pitching done by Senior, Shawn Racignol and Juniors, Adam Wells and Eric Porter. In relief for the starting pitchers they had Joe Wodek, Jason Brechiesen, Gregg Fettig, and

Ryan Fouch to deliver a strong ending performance.

This year's Varsity squad was made up of seven returning letterman, which included six seniors and one junior. Along with those returning, there were five juniors and three senior walk-ons added to the team. The Northmen were again coached by Mike Loper and assisted by Chris Weston.

This year the Northmen went into the tournaments facing Gaylord in the pre-district game. The Gaylord-Petoskey series for the season was in

favor of the blue devils, 3-1. In this district game the Northmen fell to Gaylord with a score of 5-3.

"The team worked together as a team, and had a lot of fun doing it," said Kasey McDonald. Coach Buckingham couldn't have been more proud of her team. Everyone got along very well, nobody ever complained about losing they only worked harder the next day in practice.

Inexperienced girls' varsity softball team

This year's varsity girls' softball team consisted of three seniors, eight juniors, and two sophomores this year.

The team had very little varsity experience and it showed in the first few games. Coach Greyerbiehl had to experiment with a lot of the positions to determine who would play where. Once he was set on positions, the team's play quickly stepped up a few notches.

Petoskey then went on to sweep Traverse City and defeat Gaylord, who was on a 15 and 0 run

They were ready for Districts, but they knew that they would have to play exceptionally well to beat the Gaylord Blue Devils. Petoskey had the home field advantage and they were to play in the second game against Kalkaska. After defeating Kalkaska, they went on to be defeated by Gaylord 9 to 1 in the District Finals.

The 1995 girl's varsity softball team consists of Standing(L-R) April Johnson, Andrea Cunningham, Amber Corneillie, Betsey Castelein, Sarah Shaw, Kim Keck, Courtney Johnson, April Johnson, and Coach Greyerbiehl. Northmen boys' track improves

"Winners try to improve" was on the 1995 boys' track T-shirts and evident this season. The track team bounced back from last year's disappointment to finish third in the conference. Gaylord was awarded first place while St. Ignace placed second. "We talked at the beginning of the season and decided not to be last in the conference. The team accomplished the goal and we came in third," said Coach Farris. Coaches did not appoint captains this year mainly because of the senior leadership that was shown. Seniors Chris Bielinski, Brian Chapman, Braden Graham, Nathan Kopp, Bob Thomas, Jake Villemure, Ernie Wynn, Randy Malec, and Jeremy Huffman gave the team strength when needed. The team also went down to Central Michigan University for the Chip Relays. The field events this year were really exceptional. In the long jump, junior Tim Hoover placed in almost every meet. As did Bob Thomas in the high jump, Brian Chapman in pole vault, and junior Jim Marek in discus. Most everybody achieved their personal goals this season. In closing, the track team showed that they could really improve from last season.

Girls' Track: Determined girls

ABOVE: Rachael Brown relaxes before her strong finish in the 400 meter run.

The 1995 girls track team had a smaller number in turn out but that didn't stop them. Taking a few first and many close seconds the girls never quit. The team did not place in as many meets as they would of hoped for, but many individual goals were mastered.

Beginning with Kristen Meyer ('95) breaking a high-school record in the high jump and metaling in the reginal track meet held at Houghton Lake. Emily McDonell ('95) making her mark by breaking the high-school record in the 100 Hurdles and breaking her old high-school record in the 300 Hurdles. Emily also metaled at Regionals in the 300 H. Along with Rachael Brown in the High jump and the 400 R and Chrissy metaling in the two-mile run.

All though many injuries took a toll on the relay teams the girls still tried their hardest. "The year was tough with all of the set backs but we pulled

through nicely." Says senior Sherrie Hoshield.

Many new fundraisers were directed towards the track team this year. The on going raffle tickets bought

much of the money in and the annual track-a-thon always brings enough.

Good job girls and we wish the up coming seasons good-luck.

Varsity Wraps Up Year with a

They painted the walls! They decorated the halls! What group of people was this? It was the 1994-95 Cheerleaders of Petoskey High School. Their dedication through the thrill of victory and agony of defeat motivated our teams throughout the year.

The football cheerleaders (led by Coach Cara Couture) began their practice for the upcoming season far earlier than school ever started. With the help of two college cheerleaders from a DCI camp, they taught new chants, cheers, and dances.

Cheerleaders kept spirits high using decorations in the hall and pit along with locker signs for all the guys. As fall arrived, the Varsity cheerleaders were ready for those crisp fall evenings. This was the first season in over 20 years that the PHS cheerleaders cheered for a victory against all MHSC schools!

Through dedication and hard work, the following girls brought home a 2nd place in Pellston's home competition: Kelly Adams, Sara Buss, Sherrie Hoshield, Mary Ann Barney, Becky Foltz, Sarah Lawrason and Jenni Kanine.

Following in the footsteps of the football season were the 1995 basketball cheerleaders. With the addition of a new assistant coach, Allyson Kaly, the girls had a lot of new changes. As senior Sherrie Hoshield said, "Having so many new girls made it interesting, but we all pulled together with great confidence for a new season." During the 23 game season the girls really gave the guys the morale they needed to have a great season.

To wrap the season up cheerleaders put together a snowcoming pep assembly. "It helps prep students, teachers, and players for an exciting game." said Carolyn McCullough (95). Helping with chants cheers and double partner stunts, were seniors Chris Bielinski, Ernie Wynn, Jake Villemure and Brian

Chapman. The pep assembly brought home another victory.

The new cheerleading uniforms, pom-pom's and other necessities of a cheerleader's life were bought with the money from fundraisers. The first fundraiser had a great turn out with the sale of chocolates and cookbooks. An even better turn out came from the sale of

Valentine's Day suckers. All the girls worked hard to pull off another great season of football and basketball. The Petoskey High School cheerleaders deserve great credit for their hard work and dedication throughout the year. Let's hope this dedication continues in upcoming seasons for years to come.

Squad prepares for next year

The Junior Varsity team this year was composed of many of the familiar faces of last year with a few newcomers. The girls started out their year by attending a camp and working really hard for the up-coming season. Cara Couture helped the girls become more sure of themselves and better self minded. The cheerleaders came

into the season with positive attitudes and it really helped them improve. After camp, they proceeded to learn more cheers and chants and showed everyone what they could do. Throughout the season there were a few injuries but, "We managed to pull through and still do all of our chants and cheers." said captain Stacy Par-

ent. After being on the freshman cheer team, the girls really looked forward to being able to travel to away games.

Between seasons the following girls went to a winter competition in Pellston: Julie Stanhope, Breann Daniel, Amanda McNees, Crystal Moriarty, Sara Johnston, Jody Radcliff, and Michelle Ross.

The girls were very determined and ended up taking a 2nd place.

JV finished off their year helping the Varsity put on a Snowcoming halftime show and pep assembly. Everything turned out great and now they will just sit back and relax. But only until next year.

The Freshmen squad was put on the spot. They had many new responsibilities this year. Helping out with pep assemblies, harder practices and, most of all, taking a second place in a winter competition in Pellston with Junior Varsity.

After try-outs all the girls came to practices working hard to become ready for all of their

up coming games. Going to cheerleading camp this year really helped motivate them. The whole squad became a team and were ready to work hard for the up coming seasons.

Everyone is really proud of the Freshmen team this year and wishes them luck in the years to come.

Winterguard; back with style

The Petoskey High School Winterguard was unable to perform last year due to low participation. Winterguard consists of members from the fall Colorguard. Winterguard performs at the basketball games during half time. They perform to music they chose as opposed to the live Marching Band music of the football season. There were five veterans to Winterguard who wanted to make this season one to remember. The guard consisted of fourteen very dedicated girls and their instructor, Jim Kan. Angie Rinock, a '93 graduate, also helped out occasionally.

Many hours of practice time was part of this year's show. This year it contained many difficult maneuvers. The 94-95 season was done to the music "American Pie" by George McClan and "Piano Man" by Elton John. The Winterguard this year decided to add a silent part, which is where part of the music is cut out and the girls performed without the beat of the music. The trick is to be with the music when it is brought back in. The choreograph was written by Angie Rinock and three seniors; Carolyn McCullough, and Sherrie & Audrey Hoshield. They decided to take a different approach and go for a more professional dance style. The team was very pleased with the turn out.

Every year the Winterguard takes time out of their spring break to go down to the Winterguard International Finals in Dayton, Ohio. All the girls and Jim Kan cram into a fifteen passenger van and travel to their hotel. The next

few days are filled with shopping, colorguard, shopping and, of course, more colorguard. At this particular competition the girls get a chance to see many different types of colorguard. From a team of five pairs of ballet to a group of thirty-six. It gives the girls great ideas for the up-coming year.

Colorguard is a great way to express yourself and your ability to become a better performer during each half time show.

Back: Allison Taber, Lisa Patterson, Rosie Dugan, Michelle Bielinski, Gretchen Roth, Coach Jim Kan Middle: Stacey Petrowski, Audrey Hoshield, Missy Sovari, Jaime Swartzfisher, Kendra Kipp, Becky VanSlembrouck Front: Sherrie Hoshield, Carolyn McCullough, LeeAnne Duncan

Above: Together, this group brings out the harmonic part of "Piano Man." Left: Allison Taber and Sherrie Hoshield start out Piano Man with a duet. Bottom Left: Missy Sovari ends the song with a great pose.

We would like to dedicate this year's Winterguard show to our hard-working coach and friend Mr. Jim Kan.

Finding a class you'll enjoy isn't hard at P.H.S.

Every spring, returning students are asked to fill out their proposed following year schedule. With so many class selections, though, this simple task can become a nightmare. See, here at PHS, there are classes available to meet the interests of the college prep student, the art student, the foreign language student, and the vocational student. Every class offered here or through good 'ole NCMC will both enhance the creative side and spark new understanding of the world for every student who keeps an open mind. That's just an opportunity you wouldn't automatically get at an inner city school or even in an Alanson or Ponshwaing school...and that's why academics here at PHS are heavily stressed and seen as quite a necessity.

These are the people that make it happen

Barb Aho: Health Education, Child Development, Succeeding on Your Own

Diana Anderson: Adult Education, Assistant Principal

George Armstrong: Learning Center, Physical Education

Ray Arthur: Advanced P.E., Health Education, World Geography

Barry Aspenleiter: Geometry, Trigonometry, Advanced Algebra

Steve Banwell: Custodial Staff

Scott Batchelor: Geometry, Trigonometry, Advanced Algebra, Algebra II

Dianne Bedrick: Lunch Staff

Julie Biddick: English 9, General P.E., Alternative English

Sandra Birdsall: Vocational Accounting, Business Technology

Todd Bolitho: Chamber Choir, Madrigals, Belles

Claudia Bost: Health Careers, School Nurse

Mr. Don Nelson was just one of the many community members that spoke at PHS during the school year.

The First Day

With vim and vigor they entered the school, their high pitched voices pittering, " Yippee, we rule!" Thinking of swirlies, duct tape, and more, some couldn't even reach the top of the door. Into their classes, they stared wide eyed, wondering just how long they would remember these times. Then came lunch, a familiar sight, something now told them it would soon be all right. Finally, an upperclassmen, a veteran, showed them the way, right to the pit for the siesta of the day. "You're side's over there, watch out for snowballs and such. Don't worry, soon you'll learn when to duck!" Again they are reminded of their low social rank, the first day's almost done, though, you can take that to the bank. Ninth grade P.E. is next on the list, where everyone sits next to the girl they first kissed. "No shower for me! I'm clean enough," they all whine, thinking the swirlie coming will make them shine. "Get back in there," says Farris with a grunt, "or on my team in two years, you won't even punt." On to Health Ed., it's time to sit back, as Mrs. Aho ensures that there's no time to slack. "Yes! It's the bell, we've done it, we're free!" "Is there a dance tonight?" "Who's gonna take me?" Then they remembered, it was only Wednesday, "See you kids tomorrow!" Rivest said in his usual way.

Seniors

High school has been a time for us to grow. both intellectually and physically, I've watched my class and myself mature beyond the boundaries of PHS ... we're all ready to graduate and start our lives.

“These last four years have definitely been good ones. Sure, we've had our share of bombed tests, homework overloads, and teacher clashes, but overall, high school has been great. It's been a time for us to learn responsibility, to prepare for college, and to make life-long friends.

“They say your childhood shapes your future, and if that's the case, then we should really look forward to whatever comes up. Petoskey High School has certainly been a springboard to the rest of our lives, and whatever we are years from now, we'll always be The Class of '95.

Senioritis..the tradition continues

Why study when you can rest? Kyle Pitman (right) shows that when you're tired, a simple couch will do, while (above) Marika and Erika either just got up or they are showing the judges their entries in the "My Blanky's Better" contest.

"By the time I was infected (about 9 months ago), there was no turning back..." -Dan Corcoran

Below: Even this anonymous staff member (Mrs. Nicholson) was caught catching a few winks. Is there really a Teacheritis virus? Actually, this case couldn't be documented because, boy, does this lady work hard! Left: The rest of the administration tried to keep us interested with mandatory drug seminars and teen health issues workshops...and..it worked! You won't find anyone sleeping or skipping during this gang/cult session. Thanks Officer Weston.

Below: Jenny Yuhn demonstrates the "blairn music keeps you awake" technique which so many seniors adopted this year.

The End Is In Sight

After The Honors Assembly and A.P. Exams, many seniors wonder what they're still doing here....

"We may get out early but, look around, we're still basically the last seniors around in Northern Michigan because every other graduation took place weeks ago."

-Christopher Bielinski

"Most of us have college classes so we only average two hours here anyway, but, what's the point if we don't have to take finals?"

-Mark Wodek

"I know it's only because they love us, but if they really did, they'd learn to let us go..."

-Jake Villemure

Above: Julie Kinney, Jamie Johnson, and Nikole Eaton know how close the end is when softball practice starts. Left: Jason LeValley lifts these final days away (or looks like he can).

Below: The excitement is too much for Brian Chapman, so he finds comfort on the local ceiling. What a bat!?

Below: Even the faculty needs a break. Here, the notorious G.C. sports the threads which will hopefully land him that trophy large-mouth freshman.

Srs. say, "Cedar Point or bust!"

This group of girls are excited and cold for their long fun day at Cedar Point.

It's 12:00 A.M. and most seniors are gathered on three buses and a van. They are on their way to Cedar Point. Arrival time is around 8:00 A.M. The seniors are going to enjoy the excitement and thrills of the fastest and steepest roller coasters in the world. After being up for over 24 hours, the seniors are ready to go home around 4:00 P.M. They won't arrive in Petoskey until 1:00 A.M. The trip was a lot of fun and the seniors never even noticed the sleep deprivation until the next day when they had to go to work.

The most popular ride at Cedar Point, the "Raptor".

Braden and Jim's future must look to bright because they have to wear shades.

Bob And Marianne, what a cute couple.

Jaime and Jason show their excitement, and then there is Nick.

Graduation 1995 style

These seniors are all smiles as the big moment approaches.

Waiting patiently to take the walk.

Graduation is a bittersweet time in a student's life. The excitement and anticipation mount to a feverish point before the realization that hits that "This is it; real life is waiting after this." After a summer of work and play, everyone will be going off in different directions; different colleges, different jobs, different cities, different lives. Life will take different paths for most and the ten year reunion will be held to "catch up" on everyone. *This is it; the real thing!*

The fun has just begun!!

••'95' Senior Party••

Life's A Beach.....Without The Sand?

Every year Petoskey Graduates gather at victories for an all night party. There is free bowling, free video games, free food, and free prizes for everyone. No one goes home empty handed. The night started off with a juggler, followed by bowling, and then a few hours of vegas style gambling. Thanks to the senior parents, no one had a bad time. Victories was an exciting way to end four great years at P.H.S.

Nicloe, Emily, Julie, Kevin, and Lee are winning big at the black jack table. Must be the dealer.

Julianne shows off her bravery and good balance.

A group of recent graduates stop eating to give the camera a quick smile.

Looks like Nikole, Braden, Heath, and Ann are having pizza, pop, and a whole lot of fun.

The greed is obviously getting to this group of men. They have caught Vegas fever.

Audrey shows off her fabulous flexibility in the limbo contest. How low can you go?

The fun continues

Matt is still in shock over graduation.

Kevin demonstrates how a real bowler dresses.

These girls are definitely enjoying their night at the beach. Who wouldn't with all the food you can eat and the the drink you can drink?

Smile Chris.; Jessi, Julie, and Meaghan are.

Sherri and Carolynn show off their prize winning fish. Where is it?

Don't take their food away, they might get vicious.

Don't smile too long, your food might get cold.

In closing.....

All good things must come to an end. So ends another school year. We will remember the good times, the bad times, and even the mediocre times with fondness. This closes yet another school year at PHS.

A musician must make music, an artist must paint, a poet must write, if he is to be at peace with himself. What a man can be, he must be.

Abraham Maslow

Achieve your goals.

The Happiness, Health Security and Well-Being of Each Resident is Our Commitment

In 1958, my father, Donald J. Bortz, Sr., founded the company. Since that time, the company has expanded and is now the largest privately-owned and family operated nursing home in the state of Michigan.

Our philosophy is to provide superior care to enhance the quality of life for those no longer able to care for themselves. Ours is a people oriented profession - people caring for people. The key word is "CARE;" and through dedication to this principle, Bortz Health Care Facilities have earned a reputation of providing quality care to those people whose lives have been entrusted to us.

The staff and I welcome you and hope your visit is informative and enlightening. If you have any questions or concerns, we will be happy to help you in any way

Sincerely yours,

Donald J. Bortz

Congratulations Bunky we're very proud of you! Love, Mom & Dad

All those who know you
 Can not help but feel
 That you have a buoyant
 And youthful appeal.
 You're so filled with energy
 That what you do best
 Are activities that demand
 Vigor and zest.
 You'll always be young,
 For your future must hold
 A place for a heart
 That will never grow old.

Girls basketball team in regionals for first time since 1976

As the season began, the Lady Northmen returned with eight letter winners from the 1993 season. Their experience and leadership carried them through the conference, earning them a conference championship and a record of 19-1. The Northmen went on to win districts which put them into regionals. The Lady Northmen dropped the regional game to Manistee by four points with a score of 53-49. *For more details see page 64.*

Four veterans lead Golf team to state finals

With four returning lettermen from the 1993 season, the team placed first in the conference with a record of 9-1. With a 18-2 record overall, this put the Northmen into Regionals where they placed third, which earned them the right to compete in the state finals at Michigan State University. The Northmen finished twelfth in the state, with Kevin DeGroot finishing sixteenth individually in the state. *For more details see page 68.*

Seniors applaud early graduation

After months of debate, the Petoskey Public School Board finally gave Petoskey High seniors early graduation. The class of 1995 will be the first class to be offered exemption from the final exams. This practice will be used on a trial basis for this year and, if things work out well, the process will be used with later classes. This year the teacher decides whether or not the seniors need to take the exams. This arrangement was a compromise to appease those who felt that the seniors shouldn't be allowed to miss out on exams. "I don't think we should have exams as seniors because most of us that are going to college have already been accepted by time that exams are given," said senior Mark Wodek.

The class of 1995 will graduate on Sunday, June 11, 1995, at John M. Hall Auditorium in Bay View. The Wind Ensemble and the High School choirs will be performing. The turning of the tassels at this year's graduation ceremony will be done by Robin Johnnecheck, the Senior class president.

The senior class will *once again* be traveling to Cedar Point for their class trip, as many classes have done before them. Following the graduation ceremony will be the annual Senior Party at Victories. Many parents and community members donated an abundance of time, effort, and money to the party and it is assured to be a fun time for all the seniors.

Seniors receive college credit

What is college life like? This question is on the minds of many seniors at PHS. These students are taking classes at North Central Michigan College in place of, or in addition to, regular PHS courses.

Under Michigan State act 336, which pertains to dual enrollment "...a district shall use funds allocated under this act to support the attendance of a district pupil at a public or private degreegranting post-secondary institution..."

Petoskey High School, in particular, will pay full tuition and fees for any course(s) a senior wishes to take at NCMC- but only if the course, or component of, is not offered at PHS.

According to the 1994-95 revised Student handbook, these conditions must be met: (1) the senior must have sufficient credits to be in grade twelve and must have qualified for a state endorsement, (2) the senior must be enrolled in the district as well as the post-secondary institution during the regular academic year and (3) the senior must pay tuition and fees for academic courses already offered by the high school.

To determine which classes at NCMC the high school would not fund, each department head supplied input to assist the PHS counselors and administration to decide which classes would or would not be paid for by PHS.

The 1995 Petosegan was produced by: Gretchen Lucky, Advisor; Ryan Nelson, Editor; Kent Kuhlman, Design Editor; Mark Wodek & Braden Graham, Cover Design; Colleen Reinert, Index Editor; Chris Bielski, Sherré Hoshield, Carolyn McCullough, Business Management; Randi Bucher, Photography; Jamie Platte, Julie Kinney, Jamie Hoggard, Stacy Walworth, Jennifer Hardy, Sarah Shaw, Mike Cross, Jon Shrilla, Amy Milner, Chelsea Pawloski, Aaron Vance, Jessica Kalbfleisch, Layout & Copy.

Congratulations to the class of 1995!
