# In Loving Memory . . .

## Spencer Tibbits

Tibbs, to his friends, was a fantastic person. His only goal in life was to help people around him in any way possible. Yes, he had his own ups and downs like any other teen in high school. He never wanted help in his personal life; he only wanted to give it. He was just that way. Spencer was one of my closest friends and like a brother. He supported me when I needed it most, and for that I will forever be in his debt. He will always be here in our hearts, telling us what to do when we need him most. Spencer will be remembered forever by those who knew him. Rest in peace, Bud. You will always be in my heart.

#4 Craig Clark lays down a perfect check on #2 from Negaunee

Thank you Petoskey Hockey for the last 8 years of good times. Many of us have become family. You will all be missed dearly. Stay in touch. Life is short, make memories, enjoy life, good luck to each of you in the future...be it an engineer, military, medical field, or even a rapper...whatever you guys do do your best! I have never seen such a great group of young men. We are honored we got to know you over the years and for you guys to become such good friends, hope you stay that way.

#1 Adam McCain makes a save against #44 from Gaylord.

This picture is a group shot of PHS 14-2015 Hockey who have LOST a relative to some form of cancer. Thats a lot of loss. Let that number sink in for a moment... We are each touched in some way by the pain of cancer. Many of you have lost loved ones, have survived or are fighting cancer. Our thoughts are with all of you and your families. Please, lets help find a cure.
